COMPANIES

Additive manufacturing, factory 4.0, digital transition

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AMBER INNOVATION < 50 employees 	Solutions provider for the industry of the future (specialised in optimising production and learning processes)	Toulouse (31)	http://amberinnovation.com
CADVISION < 50 employees 	Expertise in computer-aided design and additive manufacturing technologies - Stratasys 3D printers and mechanical and electronic design software	Bruguières (31)	www.cadvision.fr
CYLEONE SAS < 50 employees 	Innovative solutions - All-in-one multi-sensor digitisation platform for industrial data collection and processing	Montpellier (34)	http://www.cyleone.fr/en/
DAHER < 50 employees 	DAHER is an aircraft manufacturer and equipment supplier for industry and services - 3 main business lines: aircraft construction, aeronautical equipment and systems, logistics services, and aircraft supply chain. Leading player in Industry 4.0. Design and manufacture of fully equipped complex sub-assemblies	Tarbes (65)	www.daher.com
DELTA AUTOMATISME < 50 employees 	Automated and robotic solutions integrator	Béziers (34)	http://www.delta-automatisme.fr

Additive manufacturing, factory 4.0, digital transition

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ESTEVE 50 to 249 employees 	Major player in precision mechanics (R&D, production runs) - From conventional machining to 3D metal printing - turning, milling, machining, tool and equipment production	Toulouse (31)	www.esteve-sa.fr
EXCENT GROUPE 250 to 499 employees 	Industrial solutions designer and integrator, eXcent supports industrialisation projects for major companies	Pujaudran (32)	https://www.excent.fr/en/home/
EXCENT GROUPE 50 to 249 employees 	Industrial solutions designer and integrator, eXcent supports industrialisation projects for major companies	Figeac (46)	https://www.excent.fr/en/home/
FREYSSINET AERO EQUIPMENT 50 to 249 employees 	Manufacture of mechanical parts, machining of complex shapes and hard metals, surface treatments	Couffouleux (81)	http://www.freyssinet-aero.com/en/
GENTILIN (NEXTEAM GROUP) 50 to 249 employees 	Machining of precision mechanical parts - Maintenance of aeronautical equipment - Assembly of assemblies and sub-assemblies	Launaguet (31)	http://www.nexteam-group.com/en/establishments/gentilin/
LATESYS (GROUPE ADF) 250 to 499 employees 	Integration of assembly lines: final and sub-assembly lines, turnkey systems, factory of the future, smart factory - - Integration of finished and semi-finished products: assembly of complex structures	Sainte-Foy-d'Aigrefeuille	https://www.latesys.com

Additive manufacturing, factory 4.0, digital transition

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
LATESYS (GROUPE ADF) 250 to 499 employees 	Integration of assembly lines: final and sub-assembly lines, turnkey systems, factory of the future, smart factory - - Integration of finished and semi-finished products: assembly of complex structures	Sainte-Foy-d' Aigrefeuille	https://www.latesys.com
MCP INDUSTRIE < 50 employees 	Integration and manufacture of robots	Calmont (12)	
SCALIAN OP < 50 employees 	Consulting and engineering firm specialised in digital transformation, digital systems, and performance of industrial operations	Labège (31)	https://www.scalian.com/home/?lang=en
SERMATI 50 to 249 employees 	Sermati is a company specialised in integrated mechanical solutions - From design, to engineering, to control, Sermati offers integrated solutions for major clients in all industrial and high-tech sectors.	Saint-Céré (46)	https://www.sermati.com/
SOGECLAIR AEROSPACE 250 to 499 employees 	International leader specialised in designing innovative, high value-added products and solutions for the aviation industry: aerostructures, equipment, engineering, interiors, MRO and DOA-related services, engineering	Blagnac (31)	https://sogeclair.com/home
SPIE SUD-OUEST < 50 employees 	Company specialised in the design, production, and integration of machines, tools, and assembly lines	Toulouse (31)	https://www.spie.com/en

COMPANIES

Aeronautical wiring

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ACEA (ATELIERS CONSTRUCTIONS ÉLECTRIQUES AÉRONAUTIQUES) < 50 employees 		Plaisance du Touch (31)	www.acea-fr.com
ANIMATION DIFFUSION NOUVELLE INFORMATIQUE(ADN SARL) < 50 employees 	Company supplying cable management software	Carbonne (31)	http://www.adnfrance.com/en/
ANOTECH < 50 employees 	Wiring, thermo-lacquering, and shot blasting	Lagrange (81)	http://www.anotech-thermolaquage.fr/
ATELIERS SOUS-TRAITANCE DU COMMINGES (ASC) 50 to 249 employees 		Saint-Gaudens (31), Bousens (31)	http://www.asc-sa.fr
ERMA ELECTRONIQUE GCG 50 to 249 employees 	Engineering, electronics, wiring assembly, plastics processes. Painting of on-board parts, industrialisation, testing and integration, etc.	Portet sur Garonne (31)	http://www.groupech-arbonnier.fr/

Aeronautical wiring

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
IGE + XAO GROUP < 50 employees 	Electrical CAD/CAM (maintenance) and electrical wiring software publishing - PLM (Product Lifecycle Management) Suite - comprehensive electrical equipment manufacturing offer	Colomiers (31)	https://www.ige-xao.com/en/
LATÉCOÈRE INTERCONNECTION SYSTEMS < 50 employees 		Labège, Colomiers (31)	http://www.latecoere.fr
S2C ELEC < 50 employees 	Production of wired solutions for the aviation, aerospace, defence, and medical markets - assembly of test equipment and tooling	Saint-Affrique (12)	http://www.s2celec.com/
SAFRAN ELECTRICAL POWER BUSINESS LINE SERVICES 50 to 249 employees 	Safran Electrical & Power Business Line Services offers a complete electrical systems range (one-off production of electrical harnesses or boxes, preparation work for wiring installation or modification, installation and physical modification of harnesses on aircraft) and expert testing (system, ground, flight, and test bench tests).	Blagnac (31)	https://www.safran-electrical-power.com
SAFRAN ELECTRICAL POWER VILLEMUR (GROUPE SAFRAN) < 50 employees 	Engineering, production, and installation of wiring and electrical cabinets for the aviation industry	Villemur-sur-Tarn (31)	https://www.safran-electrical-power.com

Aeronautical wiring

COMPANIES

Air conditioning and cooling systems

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
LIEBHERR AEROSPACE - CAMPSAS 50 to 249 employees 	One of the leading European manufacturers of air conditioning equipment for the aviation industry (air sampling, cabin pressurisation, air conditioning, anti-icing)	Campsas (82)	https://www.liebherr.com/en/fra/about-liebherr/liebherr-worldwide/france/liebherr-in-france.html#!/accordion-france=accordion-item-start-toulouse
LIEBHERR-AEROSPACE & TRANSPORTATION SAS < 50 employees 	One of the leading European manufacturers of air conditioning equipment for the aviation industry (air sampling, cabin pressurisation, air conditioning, anti-icing)	Toulouse (31)	https://www.liebherr.com/en/fra/about-liebherr/liebherr-worldwide/france/liebherr-in-france.html#!/accordion-france=accordion-item-start-toulouse
SAFRAN VENTILATION SYSTEMS 250 to 499 employees 	European leader in high performance ventilation, world leader in brake fan equipment for commercial aircraft with more than 30 passengers.	Blagnac (31)	www.safran-ventilation-systems.com
THALES CRYOGENIE 50 to 249 employees 	Definition and production of cryogenic mini-coolers capable of cooling to -200°C, infra-red detectors mounted on high performance electro-optical cameras or binoculars	Blagnac (31)	http://www.thales-cryogenics.com/

COMPANIES

Aircraft construction

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AERO SERVICES GUEPARD ROMAN COMPOSITES < 50 employees 		Toulonjac (12)	https://www.aeroservices.fr
AIRBUS < 50 employees 	Headquarters of the world's leading commercial aircraft manufacturer: presidency, core functions - purchasing, programme management, strategy, design offices, sales, customer support, training centre, HR, finance, communication, etc.	Blagnac (31)	http://www.airbus.com/
AIRBUS ATLANTIC 250 to 499 employees 	Airbus Atlantic is the new world number 2 in aerostructures, number 1 in pilot seats and in the world top 3 in premium passenger seats marketed under the STELIA Aerospace brand. As a 100% Airbus subsidiary, positioned at the heart of the aircraft manufacturer's industrial system, Airbus Atlantic aims to optimise its competitiveness with the same levels of flexibility, speed, simplicity and agility as a Tier 1 aerostructure supplier.	Colomiers (31)	https://www.airbus.com/fr/airbus-atlantic
AIRBUS OPERATIONS < 50 employees 	Presidency and establishment of Toulouse. Design offices, final assembly lines (FAL) A320, A330, A350, A380, flight tests, flight launch, delivery.	Toulouse (31)	https://www.airbus.com

Aircraft construction

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ASCENDANCE FLIGHT TECHNOLOGIES 50 to 249 employees 	Company developing an advanced electric vertical take-off and landing (VTOL) aircraft with a hybrid propulsion system	Toulouse (31)	https://www.ascendance-ft.com
ATR - AVIONS DE TRANSPORT REGIONAL < 50 employees 	World leader on the up to 90-seat regional aircraft market - Design, production, and marketing of 50 to 74-seat turboprop aircraft	Blagnac (31)	www.atraircraft.com
AURA AERO < 50 employees 	Design and construction of two-seater aircraft	Toulouse (31)	www.aura-aero.com
BEYOND AEROSPACE < 50 employees 	Light business jets (5 to 7 seats) powered by fuel cells	Cugnaux (31)	
BLUE SPIRIT AERO < 50 employees 	BSA is developing a family of light aircraft (4 to 8 seats), propelled by electric motors powered by fuel cells using pressurized hydrogen gas.	Toulouse	
DAHER < 50 employees 	DAHER is an aircraft manufacturer and equipment supplier for industry and services - 3 main business lines: aircraft construction, aeronautical equipment and systems, logistics services, and aircraft supply chain. Leading player in Industry 4.0. Design and manufacture of fully equipped complex sub-assemblies	Tarbes (65)	www.daher.com

Aircraft construction

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
DAHER INDUSTRIAL SERVICES < 50 employees 	Major stakeholder in the aviation industry for production services, assembly of parts and sub-assemblies, industrialisation, production engineering, final assembly line integration, ramp services, quality inspection, and MRO	Colomiers (31)	https://www.daher.com/services-industriels/
DAHER INDUSTRIAL SERVICES < 50 employees 	On-site and on-runway services for the aviation industry: metal and composite airframe fitters, aircraft mechanics, sheet metal workers, and temp services in aeronautics	Pyrène Aéro Pôle , Lanne (65)	https://www.daher.com/services-industriels/
DELAIR 50 to 249 employees 	Delair, as one the world leading drone manufacturer company, offers high performance fixed wing UAV around the world, for border surveillance, reconnaissance, intelligence and special operations forces. Designed for continual use in all seasons, robust and easily repaired, with quality and industrial sensors.	Labège (31)	https://delair.aero/
DERICHEBOURG AERONAUTICS SERVICES 500 to 4499 employees 	One of the leaders in aeronautics subcontracting: engineering firm, engineering studies, temp services in aeronautics - Partner of key players in the aeronautics industry. Offers its expertise to aircraft manufacturers, leasing companies & airlines. Certifications & agreements: Iso 9001, EN9100, EN9110, EASA Part CAMO (FR CAMO 0059), 2-REG & BCAA	Blagnac (31)	https://derichebourg-aeroservices.com/en/home.html
ELECTRONIC BIRD CONTROL < 50 employees 	Aircraft construction / specialising in the prototyping and development of drones to combat bird pollution	CONGENIES	https://electronicbirdcontrol.com/

Aircraft construction

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
F TECH MEDITERRANEE 50 to 249 employees 	Production site specialising in the manufacture of tubular structures. Aeronautical and space structures, maintenance and fitting	Montpellier (34)	http://www.f-tech.fr?
F TECH PYRENEES 50 to 249 employees 	Production site specialising in the manufacture of tubular structures. Aeronautical and space structures, maintenance and fitting	Lannemezan (65)	
FIGEAC AERO < 50 employees 	Specialist in the manufacture of machined parts (structural parts, engine parts, precision parts) - Production of mechanical and aeronautical sub-assemblies	Figeac (46)	https://www.figeac-aero.com/en
GROUPE DCM < 50 employees 	Groupe DCM is one of the largest subcontractors of aerostructure parts and subassemblies in Quebec and one of the three largest manufacturers of aircraft maintenance equipment / GSE in the world	Toulouse	https://www.dcm.aero /
LATÉCOÈRE < 50 employees 	Design, development, and production of aeronautical assemblies (aerostructures) for aircraft, helicopters, spacecraft, nacelles - Mechanics, electrical sheet metal work, and boilermaking	Toulouse (31), Blagnac (31)	https://www.latecoere.aero
LATÉCOÈRE 50 to 249 employees 	Design, development, and production of aeronautical assemblies (aerostructures, doors, business aviation, video camera systems) for aircraft, helicopters, spacecraft, nacelles - Mechanical, electrical, and electronic construction - Mechanics, electrical sheet metal work, and boilermaking	Gimont (32)	https://www.latecoere.aero

Aircraft construction

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
LATÉCOÈRE < 50 employees 	Group headquarters - Design, development, and production of aeronautical assemblies (aerostructures, doors, business aviation, video camera systems) for aircraft, helicopters, spacecraft, nacelles - Mechanical, electrical, and electronic construction - Mechanics, electrical sheet metal work, and boilermaking.	Toulouse (31)	https://www.latecoere.aero
LATÉCOÈRE INTERCONNECTION SYSTEMS < 50 employees 		Labège, Colomiers (31)	http://www.latecoere.fr
MAZERES AERO EQUIPMENT (MAE) 50 to 249 employees 	Assembly, testing of aeronautical sub-assemblies prior to the FAL - Maintenance of tyres and brakes - Manufacture of equipment, fly-away kits	Colomiers (31)	https://www.mazeres-aero.com/en/
MECA PLUS < 50 employees 	Precision machining of superalloys and hard metals, stainless steels, carbon steels, etc. Production of engine and structural parts for the aviation industry.	Aucamville (31)	http://www.mecaplus.com/
OLUTEX FRANCE/ HUTCHINSON AEROSERVICES (GROUPE KAEFER AEROSPACE) < 50 employees 		Blagnac (31)	http://www.hutchinson.fr/marche/aerospace

Aircraft construction

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
POSITIVE AVIATION < 50 employees 	Positive Aviation aims to offer an alternative from 2028 - a new, modern, reliable and efficient amphibious firefighting aircraft - the FF72.	Toulouse (31)	http://positive Aviation aims to offer an alternative from 2028 - a new, modern, reliable and efficient amphibious firefighting aircraft - the FF72.
PROTOPLANE < 50 employees 	'ULM design Aircraft modification and business aircraft furniture'.	Bagnères-de-Bigorre (65)	http://protoplane.net/
SAFRAN CABIN 250 to 499 employees 	Safran Cabin is the world leader in cabin interiors for commercial, business, and military aircraft. The Colomiers site designs, manufactures, qualifies, and provides after-sales service for class separators of all types of aircraft.	Colomiers (31)	https://www.safran-cabin.com/
SAFRAN ELECTRICAL POWER (GROUPE SAFRAN) 250 to 499 employees 	Safran Electrical & Power is one of the world leaders in aircraft electrical systems and manages all aircraft power applications. SFRAN ELECTRICAL & POWER headquarters is located has been located in BLAGNAC (31700) since 01-03-2016.	Blagnac (31)	https://www.safran-electrical-power.com
SAFRAN ELECTRICAL POWER BUSINESS LINE SERVICES 50 to 249 employees 	Safran Electrical & Power Business Line Services offers a complete electrical systems range (one-off production of electrical harnesses or boxes, preparation work for wiring installation or modification, installation and physical modification of harnesses on aircraft) and expert testing (system, ground, flight, and test bench tests).	Blagnac (31)	https://www.safran-electrical-power.com

Aircraft construction

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SAFRAN LANDING SYSTEMS < 50 employees 	The Colomiers site consists of the Safran Landing Systems teams, which provide technical assistance, the design office in charge of aircraft manufacturer relations, and the test teams assigned to the CEAT (Toulouse Aeronautical Testing Centre).	Colomiers (31)	http://www.safran-group.com
SAFRAN NACELLES 250 to 499 employees 	Design, assembly, marketing, and after-sales service of nacelles for commercial aircraft	Colomiers (31)	https://www.safran-nacelles.com/
SAFRAN POWER UNITS < 50 employees 	Safran Power Units specialises in the design and production of auxiliary power units and start-up systems for civilian and military aviation, as well as turbojet engines for missiles and target drones. The company is a global leader in its field with over 22,000 systems delivered worldwide since its inception in 1961. Safran Power Units is also Safran's centre of excellence for fuel cells	Toulouse (31)	www.safran-power-units.com
SAFRAN SA 50 to 249 employees 	SAFRAN is an internationally-recognized high-technology group operating in the aviation (propulsion, equipment, and interiors), space, and defence sectors. Safran SA (the group's holding company) is headquartered in Paris and has a branch in Blagnac.	Blagnac (31)	www.safran-electrical-power.com
SAFRAN VENTILATION SYSTEMS 250 to 499 employees 	European leader in high performance ventilation, world leader in brake fan equipment for commercial aircraft with more than 30 passengers.	Blagnac (31)	www.safran-ventilation-systems.com

COMPANIES

Aircraft fasteners and screws

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AHG (ATELIERS DE LA HAUTE GARONNE ETABLISSEMENTS AURIOL ET CIE) 50 to 249 employees 	Recognised leader and global supplier of solid rivets, steel and titanium structural fasteners, aircraft fasteners	Flourens (31)	http://www.ahg.fr/
HOWMET AEROSPACE (ANC. MECAERO) 250 to 499 employees 	Manufacture and distribution of screws, bolts, and nail products for the aviation industry	Roques-sur-garonne (31)	https://www.howmet.com/global/en/products/browse.asp?bus_id=1&cg_id=88
METAL BALL < 50 employees 	Manufacture of high precision balls in steel, stainless steel, and ceramics, in small and medium production batches.	Grisolles (82)	https://www.metal-ball.com/en/glass-ball/

COMPANIES

Air traffic management

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ALTYS TECHNOLOGIES < 50 employees 	Consulting, products and solutions for the telecommunications, transport, and aviation industries.	Toulouse (31)	https://altys-tech.net
EGIS AVIA 50 to 249 employees 	Consulting and engineering firm in the fields of commercial aircraft and meteorology - Development of systems for meteorology, environmental monitoring, air traffic control, airport management	Toulouse (31)	https://www.egis-aviation.com/
FREQUENTIS FRANCE < 50 employees 	Company providing ground infrastructure information and telecommunication solutions	Toulouse (31)	www.frequentis.com
HINFAC < 50 employees 	Solutions for detecting critical flight situations through visual monitoring and data analysis	Toulouse (31)	https://hinfact.com
INNOV'ATM < 50 employees 	Software publishing in the ATM domain using artificial intelligence and machine learning	Cugnaux (31)	www.innov-atm.com
INTACTILE DESIGN < 50 employees 	Research for ground side air traffic control devices	Montpellier (34)	http://intactile.com/en

Air traffic management

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
M3 SYSTEMS < 50 employees 	Geolocation - Achievements in the field of satellite radio navigation and systems engineering	Lavernose (31)	https://m3systems.eu/en/home/
NAVBLUE 50 to 249 employees 	Airbus subsidiary specialised in flight operations and air traffic management solutions	Blagnac (31)	https://www.navblue.aero
SYNTONY SAS < 50 employees 	Software based on localisation and navigation systems (GPS, GALILEO), on-board receivers and constellation simulators, in software radio. Solutions used in the aviation, ground transport, and industrial sectors	Toulouse (31)	https://syntony-gnss.com/

COMPANIES

Aménagement intérieur, peintures, adhésifs

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SAFRAN CABIN 250 to 499 employees 	Safran Cabin is the world leader in cabin interiors for commercial, business, and military aircraft. The Colomiers site designs, manufactures, qualifies, and provides after-sales service for class separators of all types of aircraft.	Colomiers (31)	https://www.safran-cabin.com/
SOGECLAIR AEROSPACE 250 to 499 employees 	International leader specialised in designing innovative, high value-added products and solutions for the aviation industry: aerostructures, equipment, engineering, interiors, MRO and DOA-related services, engineering	Blagnac (31)	https://sogeclair.com/home

COMPANIES

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
6MOUV < 50 employees 	Professional flight simulators, tailor-made	Colomiers (31)	http://www.6mouv.com
ABC PROTOTYPE < 50 employees 	Electronic board, test equipment, and special machine prototypes	Colomiers (31)	http://www.abc-prototype.com/
ACTIA (ACTIA GROUP) 250 to 499 employees 	Design and manufacture of electronic boards - Maintenance - On-board products and services - Expertise in SATCOM, Aerospace and On-board Systems, as well as defence equipment	Toulouse (31)	https://ems.actia.com/aerospatial/
ACTIA GROUP 50 to 249 employees 	Design and re-design, industrialisation, manufacturing, testing, repair, obsolescence management and sustainability, supply chain and support services	Saint-Georges-de-Luzençon (12)	https://aerospace.actia.com/
ADAPTIVE CHANNEL < 50 employees 	Company offering a B-to-B solution for the distribution of electronic content on tablets, smartphones, personal computers, and televisions on board aircraft	Ramonville-Saint-Agne (31)	www.adaptive-channel.com
AEOTIC < 50 employees 	Development and distribution of flight controllers for UAVs designed by AEOTIC. Subsidiary of AIRVOLIA, which sells AEROBOTIC UAVs for spraying and spreading.	CIEURAC	https://www.drone-multitech.com/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AEROSMITH 66 < 50 employees 	Specialised in aircraft maintenance and repair - Services include: airworthiness monitoring, all types of repairs, sheet metal works	Perpignan (66)	http://aerosmith66.com
AIR SYSTEMS < 50 employees 	Electronic equipment design, test equipment design - Prototype production unit, small and medium production batches	Grenade (31)	http://www.air-systems.fr/
AIR SYSTEMS < 50 employees 	Design and production of electric equipment for the aviation, railways and medical industries.	Grenade	https://www.air-systems.fr
AIROD TECHNOLOGIES < 50 employees 	Mechatronics engineering and manufacturing - Industrial computing (modular software design, on-board software production). Mechatronics engineering, third party manufacturing, design and production of a mechatronic product catalogue	Pinsaguel (31)	www.airod-tech.com
ALL PRECISION SYSTEMS (GROUPE DOMUSA) < 50 employees 	Manufacture of other special-purpose machinery and embedded electronic products	Toulouse (31)	https://allprecisionsystems.com/
ALTER TECHNOLOGY TUV < 50 employees 	Testing of and expertise in electronic devices, modules, and equipment for harsh environment markets	Ramonville-Sainte-Agne (31)	https://www.altertechnology-group.com/en/company/alter-technology-france/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AMCC < 50 employees 	Research consultancy, design, manufacturing, assembly, installation, and sale of all mechanical, hydraulic, pneumatic, electromechanical, and electronic equipment, packaging and sale of CAM and CAD software	Capens (31)	https://www.amcc.fr/en/home/
APEM (AN IDEC COMPANY) 250 to 499 employees 	Design office for the design, development, and qualification of HMI products and production centres for these products - Manufacturer of human-machine interfaces; switches, LED indicators, etc.	Caussade (82)	https://www.apem.com/int/
ARIA ELECTRONIQUE < 50 employees 	Expert in electronic subcontracting: industrialisation, production under normative requirements, testing, integration of small and medium production batches, and prototypes in electronic assembly	Verniolle (09)	www.ariaelectronique.fr
ASCENDANCE FLIGHT TECHNOLOGIES 50 to 249 employees 	Company developing an advanced electric vertical take-off and landing (VTOL) aircraft with a hybrid propulsion system	Toulouse (31)	https://www.ascendance-ft.com
ASI INNOVATION < 50 employees 	Design, manufacture, and certification of mission systems, cabin fittings, and avionics installations	Cugnaux (31)	https://asi-group.fr/en/
AUSY 250 to 499 employees 	Company offering first class expertise in the field of mechanics and avionics systems	Toulouse (31)	http://www.ausy.com

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
BEENETIC SYSTEMS SAS < 50 employees 	Design office specialised in the development of communication solutions. Connected objects, machine-to-machine, the creation of sensor and actuator networks based on radio frequency technologies, and the development of associated hardware and software tools	Toulouse (31)	http://www.beenetic.fr/index.php/en/
CART'ELEC < 50 employees 	Company specialised in electronic card wiring, wire bonding, integration and creation of test benches	Saint-Affrique (12)	http://www.prod-elec.fr/
CGI FRANCE < 50 employees 	Strategic IT and management consulting, systems integration - Expertise: cyber security, cloud computing, innovation, business intelligence, digital transformation	Toulouse (31)	www.cgi.com
CIRETEC (ELVIA GROUPE) 50 to 249 employees 	Manufacture of electronic components	Cugnaux (31)	https://www.pcb-elvia.com/en/presentation/ciretec-2/
CLEMESSY 50 to 249 employees 	Clemessy is positioned as a provider of technologies and know-how: electricity, HVAC, test equipment, production lines, and maintenance for industrial processes	Toulouse (31)	https://www.clemessy.com/en
COFIDUR EMS (ÉTABLISSEMENT) < 50 employees 		Saint-Mathieu-de-Trévières (34)	https://www.cofidur-ems.com

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
COLLINS AEROSPACE FRANCE < 50 employees 	Engineering, services, and sales firm specialised in professional electronics products and systems across three sectors: Aviation, Defence, and Services	Blagnac (31)	www.rockwellcollins.com
CONESYS EUROPE < 50 employees 	Specialised in hermetic technology - Design and manufacture of connectors and compound systems	Colomiers (31)	https://conesyseurope.com/en/
CRDE (CAHORS REALISATION DEVELOPPEMENT ELECTRONIQUE) GROUPE CAHORS 50 to 249 employees 		Mercues (46)	https://www.groupe-cahors.com/fr-france/crde-la-filiale-electronique-de-pointe-de-groupe-cahors.html
CSI SUD OUEST (GROUPE CIMULEC) < 50 employees 	Prototypes and small production batches - Command of the different technologies used in aircraft circuits	Toulouse (31)	http://www.cimulecgroup.com/en/le-groupe-cimulec/csi.php
CYLEONE SAS < 50 employees 	Innovative solutions - All-in-one multi-sensor digitisation platform for industrial data collection and processing	Montpellier (34)	http://www.cyleone.fr/en/
DACTEM DEVELOPPEMENT < 50 employees 	Design, integration, and manufacture of test and measurement benches for functional testing of equipment and sub-systems for various industries	Alès (30)	https://www.dactem.com/en/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
DELTY < 50 employees 	Supplier of specific test benches, electrical power converters, synchronous compensators, static or dynamic electrical filters	Toulouse (31)	https://delty.fr/
DERICHEBOURG AERONAUTICS SERVICES 500 to 4499 employees 	One of the leaders in aeronautics subcontracting: engineering firm, engineering studies, temp services in aeronautics - Partner of key players in the aeronautics industry. Offers its expertise to aircraft manufacturers, leasing companies & airlines. Certifications & agreements: Iso 9001, EN9100, EN9110, EASA Part CAMO (FR CAMO 0059), 2-REG & BCAA	Blagnac (31)	https://derichebourg-aeroservices.com/en/home.html
EDGE FLEX < 50 employees 	Manufacture of assembled electronic boards. design of on-board systems in particular	Montpellier (34)	www.edgeflex.com
EDISON WAYS < 50 employees 	Design office proposing a new electrical architecture with the installation of power electronic equipment to regulate current in cables.	Montauban (82)	https://edisonways.com/wp/en/
EOLANE INGENIERIE < 50 employees 	EMS (Electronic Manufacturer Services), designer, manufacturer, producer, and maintainer of electronic assemblies and sub-assemblies - ODM (Original Design Manufacturer) and CDM (Contract Design Manufacturer) expertise	Vailhauques (34)	https://www.eolane.com/en

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
EREMS 50 to 249 employees 	Design and manufacture of on-board electronic equipment, such as energy converters, power supplies, energy distribution, data acquisition and management equipment, computers - Studies and tests	Flourens (31)	http://www.erems.fr/en/
ERMA ELECTRONIQUE GCG 50 to 249 employees 	Engineering, electronics, wiring assembly, plastics processes. Painting of on-board parts, industrialisation, testing and integration, etc.	Portet sur Garonne (31)	http://www.groupecharbonnier.fr/
ERNEO < 50 employees 	develops customised solutions for electric motors and magnetic systems. Expertise covering a wide range of electromagnetic systems-motors, couplings, electromagnets, brakes-from design to series production, in fields as demanding as aeronautics, space and defence.	Castelnau-Le-Lèz (34)	https://www.erneo.fr/
ESSP SAS (EUROPEAN SATELLITE SERVICES PROVIDER) 50 to 249 employees 	Provider of satellite-based geolocation systems for such critical applications as aircraft landing	Toulouse (31)	www.essp-sas.eu
ETIENNE LACROIX TOUS ARTIFICES 250 to 499 employees 	World leader in pyrotechnic systems for aviation and defence	Muret (31)	http://www.etienne-lacroix.com/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ETIENNE LACROIX TOUS ARTIFICES 250 to 499 employees 	World leader in pyrotechnic systems for aviation and defence	Mazères (09)	http://www.etienne-lacroix.com/
EXAGAN < 50 employees 	Electronic components	Labège (31)	http://www.exagan.com
FACT (FLUID ACTUATION & CONTROL TOULOUSE) < 50 employees 	Design, qualification, and manufacture of electro-fluidic equipment with innovative architectures adapted to severe environments, particularly in terms of temperature and vibration	Plaisance du Touch (31)	https://www.factsas.com
FALGAYRAS SAS 50 to 249 employees 	Manufacture and maintenance of on-board equipment (flight and navigation controls, electronic and engine control equipment, windscreen wiper systems, lighting and wiring solutions, etc.)	Colomiers (31)	www.falgayras.com
FEM AERO 50 to 249 employees 	Study and implementation of electrical and electronic wiring, wire bonding, and moulding projects - Test benches	Figeac (46)	http://www.fem-techno.com/home-welcome/
GE AVIC CIVIL AVIONICS SYSTEM < 50 employees 	Avionics-Electronic Systems - Research Centre	Toulouse (31)	https://www.aviagesystems.com/en/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
GERAC (GROUPE SOPEMEA) < 50 employees 	Company specialised in the control of electromagnetic environments (EMC control and testing, measurements, engineering, etc.)	Toulouse (31)	https://sopemea.fr/en/geracs-testing-and-engineering-activities-join-the-sopemea-group/
H55 FRANCE < 50 employees 	supplier of electric propulsion solutions and certified battery systems	Toulouse (31)	https://h55.ch/en/
HDG - HUMAN DESIGN GROUP (EX BERTIN ERGONOMIE) < 50 employees 	Reference player in the design of ground (ATC ATM) and on-board (Cockpit) aviation systems	Toulouse (31)	https://www.humandesign-group.fr
HINFAC < 50 employees 	Solutions for detecting critical flight situations through visual monitoring and data analysis	Toulouse (31)	https://hinfact.com
HONEYWELL AEROSPACE (GROUPE HONEYWELL) 250 to 499 employees 		Toulouse (31)	www.honeywell.com/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
I.S.I.T. (INGÉNIERIE ET SOLUTIONS EN INSTRUMENTATION ET TEST) < 50 employees 		Plaisance-du-Touch (31)	www.isit.fr
IGE + XAO GROUP < 50 employees 	Electrical CAD/CAM (maintenance) and electrical wiring software publishing - PLM (Product Lifecycle Management) Suite - comprehensive electrical equipment manufacturing offer	Colomiers (31)	https://www.ige-xao.com/en/
INDUSTRON EUROPE 50 to 249 employees 	Manufacture of electrical installation equipment (wiring)	Bordères-sur-Echez (65)	https://www.industron-europe.com
INFRANOR SAS < 50 employees 	Development and manufacture of servo motors with intelligent drives for motor control equipment	Lourdes (65)	http://fr.infranor.com/dynasite.cfm?dsmid=83381&ppid=0&pcsid=0
INTECS S.P.A TOULOUSE < 50 employees 	Design and manufacture of electronic systems for the aviation sector	Toulouse (31)	http://www.en.intecs.it
ITRUST < 50 employees 	Cyber security solutions publishing	Labège (31)	https://www.itrust.fr/en/home/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
KRATOS COMMS < 50 employees 	Integrated solutions for signal monitoring, interference detection, geolocation of satellite and terrestrial communications	Labège (31)	https://www.kratosdefense.com
LA ROCHE NOIRE TECHNOLOGY < 50 employees 	Development of electronic hardware and software, advice and expertise on the operational safety of electronic equipment	ONET LE CHATEAU	https://www.larochenoire-technology.fr/
MEAS FRANCE 50 to 249 employees 	Development and manufacture of electronic sensors (temperature, pressure, vibration, position, humidity, fluid quality)	Toulouse (31)	www.meas-spec.fr/?
METAVONICS < 50 employees 	develops the first open avionics platform meeting CS-25 requirements. The aim is to become the common core for all aircraft (UAVs, eVTOLs, aircraft), and to improve the state of the art of IMA (Integrated Modular Avionics) technology.	Toulouse (31)	https://www.metavonics.com/
MICROTEC (GROUPE AFJ) 50 to 249 employees 	Design, industrialisation, and manufacture of high reliability electronic & mechatronic boards and equipment - Test engineering, prototyping, industrial unit wiring	Ramonville-Saint-Agne (31)	https://www.microtec-electronics.fr/en/
MIDI-INGÉNIERIE (GROUPE HENSOLDT) < 50 employees 		Toulouse (31)	www.midi-ingenierie.com/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
MILLINAV < 50 employees 	Production of electronic boards and assemblies - Board design and CAD	Auzeville-Tolosane (31), Labège (31)	http://www.millinav.com
NEW AIRCRAFT SOLUTION - NAS < 50 employees 	Company specialised in general aviation: improvement of aircraft safety, avionics systems (telecommunications and anti-collision)	Toulouse (31)	https://www.nas-box.com/en/index.html
NEXIO 50 to 249 employees 	A major player in testing, design, and simulation in the field of electromagnetism	Toulouse (31)	https://nexiogroup.com/contact-us/?lang=en
NOVALYNX < 50 employees 	Design office specialised in industrial automation -Design and development of remote production supervision tools (quality control, traceability, automation) as well as the associated electronic equipment	L'Union (31)	www.novalynx.fr
NOVATEM < 50 employees 	Study, design, and implementation of mechatronic system demonstrators for electromechanical energy conversion	Coursan (11)	https://www.novatem-sas.com/home/
OKTAL SYNTHETIC ENVIRONMENT (GROUPE SOGECLAIR) < 50 employees 	Multi-sensor simulation software and services - Modelling of synthetic environments. Simulation software to design, develop, and qualify any embedded sensor system	Vigoulet-Auzil (31)	www.oktal-se.fr

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
OMICRON/HARDTE CH < 50 employees 	Design and assembly of electronic systems	Claret (34)	https://www.omicron.fr/index.php/en/
PANASONIC AVIONICS SYSTEMS (GROUPE MATSUSHITA AVIONICS SYSTEMS CORPORATION) < 50 employees 		Colomiers (31)	www.panasonic.aero/
PAR ROBOTIQUE < 50 employees 	Electronics and embedded systems	Blagnac (31)	-
POSITRONIC INDUSTRIES 50 to 249 employees 	Manufacture of high reliability power and signal connectors	Auch (32)	www.connectpositronic.com
PROVER TECHNOLOGY < 50 employees 	Development of verification and proof-making tools and solutions for critical embedded systems.	Toulouse (31)	https://www.prover.com

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SAFRAN ELECTRICAL POWER BUSINESS LINE SERVICES 50 to 249 employees 	Safran Electrical & Power Business Line Services offers a complete electrical systems range (one-off production of electrical harnesses or boxes, preparation work for wiring installation or modification, installation and physical modification of harnesses on aircraft) and expert testing (system, ground, flight, and test bench tests).	Blagnac (31)	https://www.safran-electrical-power.com
SAINT-ELOI MECANIQUE OUTILLAGE (SEMO) < 50 employees 	Specialist in the electronic industry and mechanical processes - Design, manufacture, production of tools, automated and customised equipment	Cornebarrieu (31)	https://www.semo.fr/en/
SEFEE (SOCIETE D'ETUDES ET FABRICATION ELECTRIQUE ET ELECTRONIQUE) (AN AMPHENOL COMPANY) 50 to 249 employees 	World leader in aeronautical harnesses and electronic systems - Design, Development, Manufacturing, Qualification, and Testing	Saint-Affrique (12)	http://www.sefee.com/
SERMA INGENIERIE 50 to 249 employees 	Design, development, and production of on-board electronics - Engineering and production of RF solutions, transmitters, receivers, RF amplifiers, sensors	Cornebarrieu (31)	www.serma-ingenierie.com/
SIGFOX WIRELESS 50 to 249 employees 	Network operator that provides a plug & play solution for IoT connection and low speed data transport over very long distances.	Labège (31)	https://www.sigfox.com/en

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SIMEQUIP (GROUPE FEMAERO) < 50 employees 	Design and implementation of electronic projects, all types of electrical harnesses, test benches, and simulated equipment	Figeac (46)	http://www.fem-techno.com/home-welcome/
SOTEREM < 50 employees 	Supplier to major aviation and defence industry stakeholders. Expert in the field of actuators, SOTEREM designs, develops, and manufactures embedded electrical mechanisms	Castanet-Tolosan (31)	https://www.soterem.fr/en/
SOTREM SEO 50 to 249 employees 	Wiring specialist - production and installation of electrical and electronic assemblies - Design office	Colomiers (31)	http://www.sotrem.com/?lang=en
SOURIAU (GROUPE ESTERLINE SOURIAU-SUNBANK) < 50 employees 	Supplier of comprehensive networking solutions for aircraft wiring systems (connectors, splices, cables, harnesses, etc.)	Toulouse (31)	www.souriau.com
SPHEREA 50 to 249 employees 	Among the leaders in the design and implementation of modular test solutions for the entire lifecycle of complex and critical electronic, microwave, optronic, and mechatronic systems	Toulouse (31)	www.spherea.com/en
SPHEREA GET ELECTRONIQUE < 50 employees 	Specialised in cloning, repair, sustainability studies, new works, wire bonding, electrical harness testing, and electronic systems design for the aviation, nuclear, rail, and hospital sectors	Bagnols-sur-Cèze (30)	http://www.get-electronique.fr/index.php/en/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SPHEREA GET ELECTRONIQUE 50 to 249 employees 	Specialised in cloning, repair, sustainability studies, new works, wire bonding, electrical harness testing, and electronic systems design for the aviation, nuclear, rail, and hospital sectors	Castres (81)	http://www.get-electronique.fr/index.php/en/
SPHEREA PUISSANCE + < 50 employees 	Manufacture of power, analogue, and digital electronic equipment for the aviation industry	Montauban (82)	https://www.puissancplus.com/home.html
STEEL ELECTRONIQUE < 50 employees 	Design and production of specific on-board or ground electronic hardware and software	Martres-Tolosane (31)	http://www.steel-electronique.fr/en
STESA (SOUS TRAITANCE ELECTRONIQUE SUD AVEYRONNAISE) < 50 employees 	Manufacture of assembled electronic boards	Saint-Affrique (12)	-
STUDIEL 50 to 249 employees 	Design, industrialisation, and manufacture of electronic equipment in the mechanical, electronics, and computer fields	Toulouse (31)	www.studiel.fr/
SYNTONY SAS < 50 employees 	Software based on localisation and navigation systems (GPS, GALILEO), on-board receivers and constellation simulators, in software radio. Solutions used in the aviation, ground transport, and industrial sectors	Toulouse (31)	https://syntony-gnss.com/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SYSELEC GROUPE < 50 employees 	Industrial leader in the fields of automation and electronics	Labrugière (81)	www.groupeesyselec.com
TFE TECHNIQUES ET FABRICATIONS ELECTRONIQUES SAS (GROUP MEGGITT) 50 to 249 employees 	Design, development, and mass production of embedded electronic products. Expertise in power electronics	Toulouse (31)	www.tfelectroniques.com
THALES AVIONICS TOULOUSE < 50 employees 	Flight management systems, integrated avionics, avionics platforms, navigation and tracking, connectivity, support, and services. Two out of three aircraft in the world fly with Thales equipment.	Toulouse (31)	https://www.thalesgroup.com/en/aerospace
TWIGA < 50 employees 	Electronic design office: design, industrialisation, and manufacturing - Expertise: hardware image processing, design and manufacture of electronic cards, camera synchronisation	Toulouse (31)	https://www.twiga-web.com/en
VIVERIS 50 to 249 employees 	Engineering firm specialised in advanced technologies on the R&D and embedded software markets	Toulouse (31)	www.viveris.fr/
VODEA < 50 employees 	Design and manufacture of electronic systems and multimedia embedded software in a constrained environment	Labège (31)	http://www.vodea.com/

Avionics, electronic and electrical systems, IFE

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
XERIUS < 50 employees 	Embedded electronic engineering firm specialised in radio frequencies (studies, embedded software design, machining, CAD, prototyping, etc.)	Saint-Jean (31)	www.xerius.fr

COMPANIES

Cablage aéronautique

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
FEM AERO 50 to 249 employees 	Study and implementation of electrical and electronic wiring, wire bonding, and moulding projects - Test benches	Figeac (46)	http://www.fem-techno.com/home-welcome/
INDUSTRON EUROPE 50 to 249 employees 	Manufacture of electrical installation equipment (wiring)	Bordères-sur-Echez (65)	https://www.industron-europe.com

COMPANIES

Drones, VTOL

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AEOTIC < 50 employees 	Development and distribution of flight controllers for UAVs designed by AEOTIC. Subsidiary of AIRVOLIA, which sells AEROBOTIC UAVs for spraying and spreading.	CIEURAC	https://www.drone-multitech.com/
ASCENDANCE FLIGHT TECHNOLOGIES 50 to 249 employees 	Company developing an advanced electric vertical take-off and landing (VTOL) aircraft with a hybrid propulsion system	Toulouse (31)	https://www.ascendance-ft.com
AVDEF (AVIATION DÉFENSE SERVICE) < 50 employees 	Training solutions, target towing, maritime and land surveillance, and air transport services	Saint-Gilles (30)	https://www.avdef.fr/
DELAIR 50 to 249 employees 	Delair, as one the world leading drone manufacturer company, offers high performance fixed wing UAV around the world, for border surveillance, reconnaissance, intelligence and special operations forces. Designed for continual use in all seasons, robust and easily repaired, with quality and industrial sensors.	Labège (31)	https://delair.aero/
OBJECTIF DRONE PRODUCTION < 50 employees 	'Manufacturer of certified captive and non-captive spraying drones, FPV drone design	SAINT-GENIS-DES-FONTAINES	https://www.objectifdrone66.com/

Drones, VTOL

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
TIDAV < 50 employees 	wind-resistant drone design	BLAGNAC	https://tidav.aero/

COMPANIES

Drones and VTOL

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AGENIUM DRONES SOLUTIONS < 50 employees 	Company offering processing and planning solutions for drone missions	Mirepoix (09)	https://agenium-drones-solutions.com/fr
AVION JAUNE < 50 employees 	Airborne and multispectral imagery services. Development of compact embedded systems, photogrammetric and lidar processing, development of image processing algorithms	Saint-Clément-de-Rivière (34)	http://www.lavionjaune.com/en/accueil-2/
TECH DRONE SERVICE < 50 employees 	Specialist in aerial photography and video with drone in the South West of France	Auch (32)	www.techdrone.fr

COMPANIES

Engineering and IT, consulting, AI, Big Data

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
3D TRUST < 50 employees 	Protection of file-to-3D printer transactions and sensor and log data collection for quality assurance of printed parts	Colomiers (31)	http://www.3dtrust.fr
ABELLIOM AERO < 50 employees 	Design, industrialisation, and qualification of functional mechanical prototypes for the aerospace and defence industries	Juillan (65)	http://abelliom.fr/en/
ABMI GRAND OUEST < 50 employees 	Engineering firm, mechanical products for aeronautics	Toulouse (31)	https://abmi-engineering.com/en/
ACG SOLUTIONS < 50 employees 	Consulting firm specialised in aerospace computer systems and software	Viols-le-fort (34)	http://acg-solutions.fr/acg/
ACTEMIUM TOULOUSE ROBOTIQUE & AUTOMATION (VINCI\VINCI ENERGIES\) < 50 employees 		Montrabé (31)	https://www.actemium.fr

Engineering and IT, consulting, AI, Big Data

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ADF TECHNOLOGIES 50 to 249 employees 	Design office, structures and systems, design, production, and maintenance of mechanical assemblies and sub-assemblies (assembly line and tooling)	Colomiers (31)	http://www.groupeadf.com
ADVEEZ < 50 employees 	Specialised solutions in connected objects for security and traceability in airports	Colomiers (31)	http://www.adveez.com
AEOTIC < 50 employees 	Development and distribution of flight controllers for UAVs designed by AEOTIC. Subsidiary of AIRVOLIA, which sells AEROBOTIC UAVs for spraying and spreading.	CIEURAC	https://www.drone-multitech.com/
AEREM (ATELIERS D'ETUDES ET REALISATIONS ELECTRONIQUES ET MECANIQUES) < 50 employees 	Industrial equipment design and construction - Tailor-made, comprehensive, and reactive solutions with a mechanical focus for such demanding industries as aviation, aerospace, and pharmaceuticals	Pujaudran (32)	http://www.aerem.com
AEROSOFT FRANCE (GROUPE TREFIN) < 50 employees 		Colomiers (31)	http://www.aerosoft.com/
AES - AERO ENGINEERING SERVICES < 50 employees 	Manufacture of textile products for the aeronautical industry (cabin fittings)	Cugnaux (31)	https://aero-engineering-services.com/

Engineering and IT, consulting, AI, Big Data

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AGENIUM 3D LAB (AGENIUM GROUPE) < 50 employees 	As an integrator and developer of solutions and associated services, AGENIUM is recognised for its innovative centres of expertise	Toulouse (31)	http://agenium-3dlab.com
AGENIUM 3D LAB (AGENIUM GROUPE) < 50 employees 	As an integrator and developer of solutions and associated services, AGENIUM is recognised for its innovative centres of expertise	Toulouse (31)	http://agenium-3dlab.com
AIR SYSTEMS < 50 employees 	Electronic equipment design, test equipment design - Prototype production unit, small and medium production batches	Grenade (31)	http://www.air-systems.fr/
AIR SYSTEMS < 50 employees 	Design and production of electric equipment for the aviation, railways and medical industries.	Grenade	https://www.air-systems.fr
AIRCRAFT DATA SYSTEMS < 50 employees 	Data capture and electronic archiving of aircraft maintenance files and many other document processes	Saint-Gilles (30)	
AIROD TECHNOLOGIES < 50 employees 	Mechatronics engineering and manufacturing - Industrial computing (modular software design, on-board software production). Mechatronics engineering, third party manufacturing, design and production of a mechatronic product catalogue	Pinsaguel (31)	www.airod-tech.com

Engineering and IT, consulting, AI, Big Data

AKKODIS < 50 employees 	Engineering and technology consulting company - Akka offers architecture, design, integration, validation, and certification testing and justification.	Blagnac (31)	https://www.akkodis.com/
AKKODIS < 50 employees 	Engineering and technology consulting company - Akka offers architecture, design, integration, validation, and certification testing and justification.	Blagnac (31)	https://www.akkodis.com/
ALSPACE TECHNOLOGIE < 50 employees 	Engineering firm and design office for the aviation and space industries	Lourdes (65)	http://alspacelourdes.free.fr/page8.html
ALTAIR < 50 employees 	Strategic management consulting firm, field expertise in aeronautics	Toulouse (31)	www.altair.com
ALTEN SUD OUEST < 50 employees 	Technology consulting and integrated projects management. Aviation and defence	Labège (31)	https://www.alten.com/alten-group/
ALTITUDE AEROSPACE FRANCE < 50 employees 	Engineering and design firm specialised in design, structural analysis, and change certifications	Toulouse (31)	https://www.altitudeaero.com/

Engineering and IT, consulting, AI, Big Data

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AMBER INNOVATION < 50 employees 	Solutions provider for the industry of the future (specialised in optimising production and learning processes)	Toulouse (31)	http://amberinnovation.com
AMCC < 50 employees 	Research consultancy, design, manufacturing, assembly, installation, and sale of all mechanical, hydraulic, pneumatic, electromechanical, and electronic equipment, packaging and sale of CAM and CAD software	Capens (31)	https://www.amcc.fr/en/home/
ANIMATION DIFFUSION NOUVELLE INFORMATIQUE (ADN SARL) < 50 employees 	Company supplying cable management software	Carbonne (31)	http://www.adnfrance.com/en/
APEM (AN IDEC COMPANY) 250 to 499 employees 	Design office for the design, development, and qualification of HMI products and production centres for these products - Manufacturer of human-machine interfaces; switches, LED indicators, etc.	Caussade (82)	https://www.apem.com/int/
APR (ASSISTANCE PROGRAMMATION REALISATION) < 50 employees 	Industrialisation of complex mechanical parts - Design office, programming numerically-controlled machine tools, tool and die design, control, analysis	Toulouse	https://apr-cfao.com

Engineering and IT, consulting, AI, Big Data

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
APR (ASSISTANCE PROGRAMMATION REALISATION) < 50 employees 	Industrialisation of complex mechanical parts - Design office, programming numerically-controlled machine tools, tool and die design, control, analysis	Gagnac-sur-Cère	https://apr-cfao.com
APSIDE SA 50 to 249 employees 	Consulting firm	Toulouse (31)	https://apside.com/en/
APSYS (AIRBUS) 50 to 249 employees 	Aeronautical design office specialised in consultancy and implementation in the field of risk and operational safety analysis, safety analysis, software quality, integrated logistics support, and MSG3 analysis	Blagnac (31)	https://www.apsys-airbus.com/en/apsys-the-company/
ARTAL TECHNOLOGIES 50 to 249 employees 	ARTAL Technologies operates in the field of industrial computing for the design and development of embedded and real-time communication systems, test benches, and specialised real-time tools	Ramonville-Saint-Agne (31)	http://www.artal.fr/
ARTEC AEROSPACE < 50 employees 	Engineering firm specialised in structural dynamics, especially structures made of composites - Offers innovative solutions to vibration, acoustics, and calculation problems in structural dynamics	Seilh (31)	http://www.artec-spadd.com/
ASCENT INTEGRATION 50 to 249 employees 	Supplier of automated production and assembly systems	Blagnac	https://ascentaerospace.com

Engineering and IT, consulting, AI, Big Data

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ASTEK SUD OUEST 50 to 249 employees 	IT systems and software consulting company	Colomiers (31)	http://www.groupeastek.com
ATOS < 50 employees 	IT engineering, software development: a complete digital offer from aircraft design to passenger experience on increasingly connected aircraft, safety and security	Toulouse (31)	https://atos.net/en-gb/united-kingdom/industries-uk/aerospace-uk
AURORE ARKA (GROUPE KALLISTO) < 50 employees 	Rapid Prototyping, 3D Printing, and Computer Aided Design	Toulouse (31)	www.aurore.pro
AUSY 250 to 499 employees 	Company offering first class expertise in the field of mechanics and avionics systems	Toulouse (31)	http://www.ausy.com
AUTOMATIQUE ET INDUSTRIE < 50 employees 	Company specialised in computer engineering design for industry: automation, industrial computing, supervision, test benches, measurement benches, etc.	Labège (31)	http://altitem.fr
AVANTIS ENGINEERING (GROUPE FIGEAC AERO) 50 to 249 employees 	Mechanical, electronic, and industrial computer engineering, engineering studies in aeronautics	Figeac (46)	https://avantis-group.com/en/

Engineering and IT, consulting, AI, Big Data

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AXSENS BTE < 50 employees 	Consulting firm specialised in supply chain, continuous improvement, lean management and agile methods, logistics and transport	Toulouse (31)	https://axsens.com/home/
BE4PROD ENGINEERING < 50 employees 	Engineering firm, engineering studies	Castries (34)	http://www.be4prod.com
BEENETIC SYSTEMS SAS < 50 employees 	Design office specialised in the development of communication solutions. Connected objects, machine-to-machine, the creation of sensor and actuator networks based on radio frequency technologies, and the development of associated hardware and software tools	Toulouse (31)	http://www.beenetic.fr/index.php/en/
BERAERO 31 < 50 employees 	A consultancy and expertise service from design through to the industrialisation of composite material structures, mainly in the aeronautics and space sectors. Assists aeronautical companies in their transition to the Industry of the Future, in particular through the automation of production lines using a 'Design to Automation' approach. Offers training in composite materials and technologies and automated industrial solutions.	Saint-Orens-de-Gameville (31)	
BERTRANDT FRANCE 50 to 249 employees 	Design and engineering firm (digitalisation, cabin development, system development, structural design, customisation, etc.)	Toulouse (31)	https://www.bertrandt.com/en/company/bertrandt-group/locations/location/toulouse-bertrandt-france-sas

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ADDEV MATERIALS AEROSPACE SAS < 50 employees 	Company specialized in cleaning products, lubricants, compound corrosion inhibitors (CIC), high performance materials, sealants and adhesives for the aerospace, military industries and airlines.	Portet-sur-Garonne (31)	https://addevmaterials.com/
ADHETEC 50 to 249 employees 	Expertise in adhesive solutions for the aviation industry - Know-how in aircraft customisation (development of patented adhesive films, technical markings, and decoration) for aircraft interiors and exteriors - Surface protection, masking	Colomiers (31)	www.adhetec.com
ADHETEC 50 to 249 employees 	Expertise in adhesive solutions for the aviation industry - Know-how in aircraft customisation (development of patented adhesive films, technical markings, and decoration) for aircraft interiors and exteriors - Surface protection, masking	Tarbes (65)	www.adhetec.com
AERO CABIN SOLUTIONS < 50 employees 	With more than 20 years of expertise in commercial cabin reconfiguration and passenger seat refurbishing and remarketing A dynamic player in the aircraft interior market, for all aircraft types	Mauguio (34)	http://www.aero-cabin.fr
AEROSTYLL < 50 employees 	Company specialised in prestige aircraft painting	Lezignan-Corbières (11)	www.aerostyll.com

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AEROVAC TOULOUSE (GROUPE AEROVAC) 50 to 249 employees 	Distribution of products and equipment for vacuum bagging of composites. Offers a range of low temperature curing prepregs for the manufacture of moulding tools	Saint-Jean (31)	https://www.solvay.com/en/
AERTEC GROUPE 50 to 249 employees 	Production and manufacture of textile products for the aviation industry and small cabin equipment - Design office, commercial and quality departments	Toulouse (31)	http://www.groupe-aerotec.com
AES - AERO ENGINEERING SERVICES < 50 employees 	Manufacture of textile products for the aeronautical industry (cabin fittings)	Cugnaux (31)	https://aero-engineering-services.com/
AIRBUS ATLANTIC 250 to 499 employees 	Airbus Atlantic Headquarters - #2 world leader in aerostructures (the engineering, production and integration expert) - pilot seats, as well as first and business class cabin seats - pipes and ducts	Colomiers (31)	https://www.airbus.com/fr/airbus-atlantic/aerostructures
AIRBUS ATLANTIC 250 to 499 employees 	Airbus Atlantic is the new world number 2 in aerostructures, number 1 in pilot seats and in the world top 3 in premium passenger seats marketed under the STELIA Aerospace brand. As a 100% Airbus subsidiary, positioned at the heart of the aircraft manufacturer's industrial system, Airbus Atlantic aims to optimise its competitiveness with the same levels of flexibility, speed, simplicity and agility as a Tier 1 aerostructure supplier.	Colomiers (31)	https://www.airbus.com/fr/airbus-atlantic

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AIRPLANE AERO < 50 employees 	Specialised in regional aircraft painting, modular paint booths- All the maintenance work required on aircrafts, ranging from C checks to return to service and including trouble shooting phases and composite repairs	Cugnaux (31)	https://airplane.aero/en/
AKKODIS < 50 employees 	Engineering and technology consulting company - Akka offers architecture, design, integration, validation, and certification testing and justification.	Blagnac (31)	https://www.akkodis.com/
AVIACOMP (GROUPE SOGECLAIR) < 50 employees 	Company specialised in the design, development, and manufacture of thermoplastic composites	Launaguet (31)	https://sogeclair.com/fr/equipment/materiaux-innovants
BURNS AEROSPACE EUROPE < 50 employees 	Aircraft interior fittings	Colomiers (31)	
CCF INDUSTRIE < 50 employees 	Aeronautical industrial marking - Industrial screen printing, large format digital printing, digital cutting	Tarbes (65)	https://www.ccf-print.com
CELSO < 50 employees 	World leader in aircraft cockpit seats Specialized in the design and manufacture of technical foams & flexible cellular materials (foams, seat cushions, acoustic and thermal insulation, sealing, technical packaging) for the aeronautics, medical...	Bressols (82)	https://celso.fr/en/

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
CHRONOPLI < 50 employees 	Metal forming - laser cutting, thermo-lacquering (electrostatic spray painting)	Plaisance du Touch (31)	http://www.chronopli.fr/
DAHER INDUSTRIAL SERVICES < 50 employees 	Major stakeholder in the aviation industry for production services, assembly of parts and sub-assemblies, industrialisation, production engineering, final assembly line integration, ramp services, quality inspection, and MRO	Colomiers (31)	https://www.daher.com/services-industriels/
DERICHEBOURG AERONAUTICS SERVICES 500 to 4499 employees 	One of the leaders in aeronautics subcontracting: engineering firm, engineering studies, temp services in aeronautics - Partner of key players in the aeronautics industry. Offers its expertise to aircraft manufacturers, leasing companies & airlines. Certifications & agreements: Iso 9001, EN9100, EN9110, EASA Part CAMO (FR CAMO 0059), 2-REG & BCAA	Blagnac (31)	https://derichebourg-aeroservices.com/en/home.html
DIEHL AEROSPACE GMBH 50 to 249 employees 	A leading designer and manufacturer of cabin interiors and system components - Development and manufacture of complex cockpit and cabin systems - Airbus customer support site	Toulouse (31)	www.diehl-aerospace.de
DIODON DRONE TECHNOLOGY < 50 employees 	Manufacture of ruggedised multi-rotor drones for the defence and emergency management sectors. World's only inflatable drone technology	Labège (31)	https://www.diodon-drone.com/en/index.php

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
DONECLE < 50 employees 	Company developing an aircraft inspection system using automated drones.	Toulouse	http://www.donecle.com
ECM (ENGINEERING CONCEPTION MAINTENANCE) 50 to 249 employees 	Expertise in the mechanical trades and in the use and dissemination of innovative technologies - Trades: Research and technology, Product/process development engineering (development of structures, models, equipment, design/analysis/testing, etc.), Consulting and support for organisations	Blagnac (31)	http://www.ecm-be.com
FIN'TECH INDUSTRIE (GROUPE MH INDUSTRIES) 50 to 249 employees 	Specialised in surface treatments and powder and liquid painting	Albi (81)	http://fintech-industrie.com/en/
GACHES CHIMIE 50 to 249 employees 	Chemical products and solutions supplier (aeronautical paints, resins, structural adhesives, etc.)	Escalquens (31)	https://www.gaches.com/en/
GROUPE SATYS < 50 employees 	SATYS is a French and international group, European leader in aircraft sealing and painting. It also specialises in aircraft interiors and surface treatments for the aviation industry.	Blagnac (31)	https://www.satys.com/index.php?lang=en
ISP SYSTEM < 50 employees 	Company manufacturing composite structures and special equipment	Vic-en-Bigorre (65)	https://www.isp-system.fr/en/

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
JCB AERO AUCH (GROUPE AMAC AEROSPACE) 50 to 249 employees 	High-end interior fittings, installation, and maintenance - VIP and commercial aircraft, helicopters, etc.	Auch (32)	www.jcbaero.com/
JVAEROSERVICES (BT2I) 250 to 499 employees 	Design and production of cabin and composite parts - Fine sheet metal work & boilermaking, machining - VIP aircraft interior fittings	Bressols (82)	https://www.bt2igroup.com/
KREATIVE ENGINEERING SERVICES (KES) < 50 employees 	Mechanical engineering, design, industrialisation, calculation, and certification	L'isle Jourdain	www.kreative-engineering.com
LE MOULIN GAU < 50 employees 	Textile Solutions Centre - Development and manufacture of technical textiles for the aviation industry. Weavers	Payrin-Augmontel (81)	http://www.moulinga.com/aircraft.php
LIEBHERR-AEROSPACE COATINGS 50 to 249 employees 	Specialist in surface treatments and application of liquid paint on various substrates for industry	Cugnaux (31)	https://www.liebherr.com/fr-fr/aerospace-et-ferroviaire/liebherr-aerospace-transportation-sas-7171738
MAPAERO COATINGS (AKZO NOBEL AEROSPACE) 50 to 249 employees 	Design and manufacture of high-tech paints - Pioneer in water-based paints for the aviation industry	Pamiers (09)	https://www.mapaero.com/fr/

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
MECANO ID 50 to 249 employees 	Mechanical and thermal engineering firm - Manufacture of composite material components and production of mainly mechanical assemblies	Toulouse (31)	http://www.mecano-id.fr/en
METALBALL < 50 employees 	Manufacturer of high-precision steel and ceramic balls	Grisolles (82)	https://www.metal-ball.com/
MINILAMPE < 50 employees 	Unique know-how and expertise in the manufacture of custom lighting systems - Cockpit and cabin lamps, on-board applications, OEM - MRO and aftermarket - exterior lighting systems	Carcassonne (11)	https://www.minilampe.com/en/
NEHIA < 50 employees 	Company specialised in industrial marking, aircraft painting, covers, labels, logos, etc.	Toulouse (31)	https://www.nehia.fr/en/
NEW DESIGN AIR (GROUPE HAMACHE) < 50 employees 	Design, manufacture, and maintenance of aircraft cabin interior components	Montauban (82)	https://www.design-air.fr/en/who-we-are/
OCCITEM < 50 employees 	specialises in rotating machinery. It designs and manufactures high-performance, high-reliability electric motors. It has the capacity to manufacture bespoke products according to the constraints set out in the specifications.	Colomiers (31)	https://www.te-motors.fr/

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
OPT'ALM < 50 employees 	Production of metal parts by additive manufacturing. The company also maintains and repairs existing complex structures (MRO / MCO). Finally, consulting engineers support clients in their transition to DED Additive Manufacturing.	Roquette (31)	http://optalm.fr/english/
ORTEC AERO SERVICES < 50 employees 	The Ortec Group offers cross-disciplinary, multi-faceted expertise: <ul style="list-style-type: none"> - aircraft cabin and tech data, - project engineering: project management, systems engineering, etc. - production and distribution of maintenance tooling: design and prototyping, small and medium production runs, distribution logistics... Also works directly with FAL	Toulouse	
PIEM (PEINTURE INDUSTRIE EQUIPEMENT MATERIEL) (GROUPE MARQUAGES 2) < 50 employees 	Purchasing & sourcing, logistics and distribution, paints and varnishes, product and service innovation	Toulouse (31)	https://www.le-site-de.com/p-i-e-m-peinture-industrie-equipement-materiel--toulouse_138640.html
PMV GROUP < 50 employees 	Company specialised in cabin design, cabin and avionics systems, and aerostructure design	Montauban (82)	www.pmv-groupe.com
POLYQUARK < 50 employees 	Simulation software development and services for automotive and aircraft interior trim operations	Puylaurens (81)	https://les-ateliers.co/otw-portfolio/polyquark/

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
PPG COATINGS < 50 employees 	PPG Coatings develops, manufactures and supplies paints, coatings and technical materials for the aerospace industry.	PIBRAC	https://www.ppg.com
PRINTSKY (GROUPE SOGECLAIR) < 50 employees 	Industrial production projects in the field of Additive Manufacturing (powder bed and electron beam) for the aerospace industry. The PrintSky platform offers a modular solution that provides access to design, certification, and prototyping services	Toulouse (31)	https://sogeclair.com/en/equipment/innovative-materials
PROTOPLANE < 50 employees 	'ULM design Aircraft modification and business aircraft furniture'.	Bagnères-de-Bigorre (65)	http://protoplane.net/
RECAERO 250 to 499 employees 	Manufacture of spare parts, sub-assemblies, modification kits, metal parts and composite parts for the aviation industry - 3 establishments in Occitanie - ISO 9100, AEO/AEO certifications - PART 21 G, 21 J	Verniolle (09)	http://www.recaero.fr/
RECTIF 46 < 50 employees 	specialises in the grinding and honing of high-precision mechanical parts.	Gagnac-sur-Cère (46)	https://www.rectif46.fr/
SATYS AIRCRAFT PAINTINGS (GROUPE SATYS) < 50 employees 	Company specialised in painting new aircraft for manufacturers and airlines	Blagnac (31)	https://www.satys.com/index.php?option=com_sppagebuilder&view=page&id=157&Itemid=203&lang=en

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SATYS INTERIORS AEROSPACE (GROUPE SATYS) < 50 employees 	Design, manufacture, and refurbishment of aircraft interiors for airlines, business aircraft, and OEM markets - Design capabilities in mechanical, composite, electrical, water, air - qualification, testing, and certification	Blagnac (31)	https://www.satys.com/index.php?option=com_sppagebuilder&view=page&id=157&Itemid=203&lang=en
SATYS SURFACE TREATMENT TOULOUSE (EX PRODEM) 50 to 249 employees 	Company specialised in surface treatments, aircraft painting - Non-destructive testing of metal and composite parts for the aviation industry	Cornebarrieu (31)	https://www.satys.com/index.php?option=com_sppagebuilder&view=page&id=157&Itemid=203&lang=en
SELA 50 to 249 employees 	Sela is a leading supplier of cockpit and cabin lighting systems for commercial and military aircraft	Vic-en-Bigorre (65)	www.sela-light.com/
SOCIETE TECHNIC SERVICES (STS) 50 to 249 employees 	Expertise in three main areas: manufacture of composite parts, painting, and assembly - Comprehensive services from prototype production to maintenance of aircraft parts	Decazeville (12)	https://sts-aveyron.com/?lang=en
SOPLAMI (SOCIETE DES PLASTIQUES DU MIDI) (GROUPE DEVISU) 50 to 249 employees 	Thermoformed interior fittings: cockpit, cabin, and seat covers, door linings, cable and electrical panel covers, ventilation, cover glass for lights	Muret (31), Seysse (31)	https://soplami.fr/en/home/

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
STOKVIS TAPE < 50 employees 	Distributor and converter of adhesive tapes	Toulouse (31)	https://stokvistapes.com
SUDFLUOR < 50 employees 	Industrial engineering specialised in using fluorine to improve the behaviour of materials	Montpellier (34)	https://sudfluor.eu/language/en/home/
T3S (TECNIC SERIGRAPHIE SERVICE) < 50 employees 	Technical screen printing company specialised in industrial marking, labels, and identification solutions	Tournefeuille (31)	http://www.t3s.fr/component/content/article/133
T3S (TECNIC SERIGRAPHIE SERVICE) < 50 employees 	Technical screen printing company specialised in industrial marking, labels, and identification solutions	Tournefeuille (31)	http://www.t3s.fr/component/content/article/133
TECNALIA < 50 employees 	Research & Development - Digital transformation, artificial intelligence, cognitive systems, advanced interaction systems, and worker 4.0	VENDARGUES (34)	http://www.tecnalia.com/en/
THALES LAS 50 to 249 employees 	Project management, system and software engineering for implementation of air traffic control centres. 160 air traffic control centres around the world equipped by Thales cover more than 40% of the world's airspace.	Toulouse (31)	http://www.thalesgroup.com

Interior fittings, paints and adhesives

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
TRIUMPH GROUP < 50 employees 	Warehousing and manufacturing, on-site assembly of thermal-acoustic insulation products, on-site technical support, integration services, warehousing	Colomiers (31)	https://www.triumphgroup.com/locations/triumph-interiors-toulouse-france
UUDS AERO < 50 employees 	Maintenance, installation, manufacture, renovation, and maintenance of interior cabin equipment - Bio-decontamination, disinfection, etc. - Wet/dry cleaning for outdoor aircraft	Colomiers	https://www.aero.uuds.com/en/profile
YELLOW SCAN < 50 employees 	Manufacture of scientific and technical instrumentation	SAINT-CLEMENT-DE-RIVIERE	https://www.yellowsca n-lidar.com

COMPANIES

IoT, connected objects

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AGILEO AUTOMATION < 50 employees 	IT and robotic solutions supplier for production machines	Montauban (82)	www.agileo-automation.com
BEENETIC SYSTEMS SAS < 50 employees 	Design office specialised in the development of communication solutions. Connected objects, machine-to-machine, the creation of sensor and actuator networks based on radio frequency technologies, and the development of associated hardware and software tools	Toulouse (31)	http://www.beenetic.fr/index.php/en/
BOSCH REXROTH SAS < 50 employees 	Integration of automated solutions, connected factory 4.0 - Develops innovative components and customised solutions - Electrical, hydraulic, industrial, and pneumatic controls and drives	Toulouse (31)	https://www.boschrexroth.com/en/dc/
COPSONIC < 50 employees 	Specialist in IoT and cyber security: data transmission of connected objects by ultrasound - deployment issues in a metallic environment	Montauban (82)	www.copsonic.com
DO IT PLATINIUM < 50 employees 	Do iT breaks down the barriers between start-ups and the industrial world. From the soft to the most complex hardwares, their consultants accompany and advise you to create value. Fervent activists of LEAN, they defend its evolution towards HYPERMANUFACTURING. For you, they will be the first hyper-consultants	Toulouse (31)	https://www.doit-platinum.com/

IoT, connected objects

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
FUSION LABS < 50 employees 	Company integrating connected solutions for industry - Engineering studies, Development, Integration, Connected maintenance solutions - IoT project integrator	Labège (31)	http://www.fusionlabs.fr/language/en/home-2/
INEO SENSE < 50 employees 	Asset tracking solutions for the aviation industry from manufacturing to delivery	Nîmes (30)	https://www.ineo-sense.com
NOVALYNX < 50 employees 	Design office specialised in industrial automation -Design and development of remote production supervision tools (quality control, traceability, automation) as well as the associated electronic equipment	L'Union (31)	www.novalynx.fr
PARAMETRIC TECHNOLOGY 50 to 249 employees 	Provider of technologies dedicated to the Internet of Things, digital 3D design, and PLM on the Internet	Toulouse (31)	
SKYTED < 50 employees 	The company is designing and producing a new headset to work and stay connected discreetly in the office, while travelling or in a virtual world such as online games or metavers.	Toulouse	https://skyted.io/
TOOLLIVE < 50 employees 	Develops and manages a digital platform that connects users, suppliers, and tool owners. The company offers a service (connected objects) applied to aviation production tools to optimise logistics and maintenance.	Toulouse (31)	https://toollive.com

IoT, connected objects

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
UWINLOC SAS < 50 employees 	Innovative tagging solutions to geo-reference objects in logistics warehouses and industrial sites	Blagnac (31)	http://uwinloc.com

COMPANIES

Logistics and distribution of aeronautical components

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AIR COST CONTROL (A2C) 50 to 249 employees 	Company specialised in the purchase, storage, and sale of all electrical products required in the manufacture of electrical harnesses for aeronautic applications	L'Isle-Jourdain (32)	http://www.aircostcontrol.com/
ASMO-BAX < 50 employees 	Asmo-Bax supplies all necessary steel and materials, cut or slit according to the user's requirements	Castelnau-d'Estrétefonds (31)	http://www.asmobax.fr/
BOEING DISTRIBUTION SERVICES ISC GMBH < 50 employees 	Distribution and sale of consumables, aeronautical equipment and components	Toulouse (31)	http://www.boeingdistribution.com
BUSBY METALS < 50 employees 	Distribution of alloys designed for various industries including the aviation industry - precision mechanics - storage and distribution of semi-finished copper products	Toulouse (31)	www.busbymetals.com
C.I.R. (COMPAGNIE INDUSTRIELLE DU ROULEMENT) 250 to 499 employees 	Distributor of industrial power transmission components: bearings, mechanics, hydraulics, pneumatics, automation, and sealing	Toulouse (31)	https://www.ciraero.com/en/home/

Logistics and distribution of aeronautical components

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
CASTLE METAL AEROSPACE (MEMBRE D'ADS TOULOUSE) < 50 employees 	Distribution of various materials for aviation (titanium, aluminium)	Lanne (65)	https://www.castlemetals.com
CLI FRANCE < 50 employees 	Electronic component and equipment sales	Toulouse (31)	http://www.clifrance.com/
DAHER < 50 employees 	Logistics services	Cornebarrieu (31)	www.daher.com
DAHER < 50 employees 	DAHER is an aircraft manufacturer and equipment supplier for industry and services - 3 main business lines: aircraft construction, aeronautical equipment and systems, logistics services, and aircraft supply chain. Leading player in Industry 4.0. Design and manufacture of fully equipped complex sub-assemblies	Tarbes (65)	www.daher.com
DENJEAN LOGISTIQUE < 50 employees 	Deanjean Logistique offers the aviation industry highly secure warehouses and logistics services	Toulouse	https://www.denjean.fr/en/

Logistics and distribution of aeronautical components

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
DENJEAN LOGISTIQUE 50 to 249 employees 	Deanjean Logistique offers the aviation industry highly secure warehouses and logistics services	Mazères (09)	https://www.denjean.fr/en/
EAZY AERO (EX. AEROSTAR GLOBAL LOGISTICS) < 50 employees 	Company specialised in aerospace logistics	Colomiers (31)	https://www.linkedin.com/company/agle/?originalSubdomain=fr
FLEURET -SATI 50 to 249 employees 	Design and manufacture of technical and customised containers for the transport of sensitive aeronautical and aerospace equipment and components - Expertise in mechanics and parts finishing for clients	Saint-Orens-de-Gameville (31)	www.fleuret-toulouse.com
FLY DYNAMICS < 50 employees 	Distribution of components, spare parts, and logistics solutions for airlines and MROs	Toulouse (31)	https://flydynamics.com
FYM EQUIPEMENT / TOULOUSE BACHES < 50 employees 	Manufacture of textile tarpaulins and protections for the transport of parts - Technical materials for canvas (PVC, Silicone, Nomex, Fibreglass) and foams (Plastazote, EPDM, etc.)	Saint-Alban (31)	http://toulousebaches.e-monsite.com/pages/page-1.html
GACHES CHIMIE 50 to 249 employees 	Chemical products and solutions supplier (aeronautical paints, resins, structural adhesives, etc.)	Escalquens (31)	https://www.gaches.com/en/

Logistics and distribution of aeronautical components

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
HARMONY AEROSPACE FRANCE < 50 employees 	"Broker" trading activities: batch purchasing, storage, and resale of spare parts and various products for the aviation industry: aircraft parts, consumables	Cugnaux (31)	http://www.harmony-aero.com
KDI < 50 employees 	Steel distribution company for metal professionals	Béziers (34)	www.kdi.fr
KUEHNE AND NAGEL < 50 employees 	Logistics services: full range of services from international transit by sea, air, and road to customs services, warehousing, and distribution	Toulouse (31), Blagnac (31)	http://www.kn-portal.com

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
EEMAU INDUSTRIE < 50 employees 	Design, implementation, and maintenance of industrial systems - Expertise: automation and industrial computing, implementation of automated assembly stations for electronic boards, industrial electricity, integrator, engineering, etc.	Angles (81)	http://www.eemau.fr
ELECTROIMPACT FRANCE < 50 employees 	World leader in the design and manufacture of aerospace tooling and automation	Colomiers (31)	www.electroimpact.com
ERME SAS < 50 employees 	Design and manufacture of industrial machinery - Products: motorised trolleys, hooded trolleys, transport boxes, handling / tools	Montégut-Arros (32)	http://www.erne-aero.com/eng/index.html
ESTEVE 50 to 249 employees 	Major player in precision mechanics (R&D, production runs) - From conventional machining to 3D metal printing - turning, milling, machining, tool and equipment production	Toulouse (31)	www.esteve-sa.fr
FIVES MACHINING 50 to 249 employees 	Manufacture of large machine tools, heavy mechanics. Expertise: aluminium machining, assembly lines, conveyors, and automation (robotics)	Saint-Laurent-les-Tours (46)	https://www.fivesgroup.com
FIVES MACHINING 50 to 249 employees 	Design, manufacture, and installation of large, high-precision, high-power machine tools	Capdenac (12)	https://www.fivesgroup.com

Machine tools, tools

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
GLENAIR FRANCE < 50 employees 	Design and manufacture of connectors, accessories, and copper or fibre optical harness systems	Toulouse (31)	www.glenair.com
HYDRO SYSTEMS FRANCE (EX SERMI) < 50 employees 	World leader in ground service equipment, as well as in aircraft production and maintenance equipment	Colomiers (31)	https://fcp.hydro.aero/fr/home.html
ID3D < 50 employees 	Design office and integrator of mechanical solutions, production and installation of special machines, tooling, machining fixtures, gangways, and assembly stations	Mauguio (34)	www.id3d-montpellier.com
K.J FRANCE < 50 employees 	Manufacture of a wide range of cutting tools, attachments, and clamping solutions.	Ibos (65)	http://www.kjfrance.fr/
LAROCHE INDUSTRIES 50 to 249 employees 	Production engineering, study and production of capital equipment, industrial systems control	Colomiers (31)	https://www.laroche-group.com/en/homepage/
LASELEC SA < 50 employees 	Company specialised in identifying and laser stripping wires, manufacturer of laser sources for over 20 years	Toulouse (31)	www.laselec.com

Machine tools, tools

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
LATESYS (GROUPE ADF) 250 to 499 employees 	Integration of assembly lines: final and sub-assembly lines, turnkey systems, factory of the future, smart factory - - Integration of finished and semi-finished products: assembly of complex structures	Sainte-Foy-d'Aigrefeuille	https://www.latesys.com
LAUAK FRANCE (GROUPE LAUAK) 50 to 249 employees 	Specialist in sheet metal work and boilermaking for the aviation industry - Manufacture of elementary parts and machined sub-assemblies - Piping - Mechanical welding - Assembly of aerospace sub-assemblies and complex assemblies	L'isle-Jourdain (32)	https://www.groupe-lauak.com/en/our-activities/machining/
MCP INDUSTRIE < 50 employees 	Integration and manufacture of robots	Calmont (12)	
MCP3A - MECAPOLE < 50 employees 	Precision mechanics and tooling - medium and small production batches	Olemps (12)	https://www.mecapole-aeronautique.com
MECAMONT HYDRO 50 to 249 employees 	Company specialised in cable transport and the secure deployment of cables in urban areas and hydroelectric structures.	Lannemezan (65)	https://www.mecamont.com/?lang=en
MECANUMERIC 50 to 249 employees 	Cutting, engraving and thermoforming company and manufacturer of numerically controlled equipment	MARSSAC SUR TARN	http://www.mecanumeric.fr

Machine tools, tools

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
MICHEL PIOCH < 50 employees 	Construction of milling machines - Production of precision parts	Saint-Céré (46)	https://www.michel-pioch.fr
NEOTEC < 50 employees 	Design and production of industrial systems and moveable gear	Bressols (82)	https://www.neotec-france.com/en/aero-defense-en/
PROSYMO < 50 employees 	Expertise in machine safety and compliance - Design, manufacture, and integration of equipment on production facilities	Figeac (46)	https://prosysmo.fr
REEL 50 to 249 employees 	Major player in the lifting and materials handling sectors as well as in hydraulic and automation expertise - Industrial maintenance and maintenance of industrial tools	Toulouse (31)	https://www.reelinternational.com/en/companies/reel-toulouse-2/
RGI < 50 employees 	Design and production of machine tools. Engineering	Saint-Céré (46)	http://www.rgi-ingenierie.fr/en
ROGA MECANIQUE (GROUPE GALY) < 50 employees 	specialises in large-scale machining and the manufacture of cutting machines for the ceramics industry.	Varilhes (09)	https://www.roga-mecanique.com/

Machine tools, tools

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ROGA MECANIQUE (GROUPE GALY) < 50 employees 	specialises in large-scale machining and the manufacture of cutting machines for the ceramics industry.	Varilhes (09)	https://www.roga-mecanique.com/
SAINT-ELOI MECANIQUE OUTILLAGE (SEMO) < 50 employees 	Specialist in the electronic industry and mechanical processes - Design, manufacture, production of tools, automated and customised equipment	Cornebarrieu (31)	https://www.semo.fr/en/
SERMATI 50 to 249 employees 	Double expertise in engineering and manufacturing - Sermati designs, integrates, and controls: assembly and control lines, complex mechanical parts and sub-assemblies, special machines and test benches	Blagnac (31)	https://www.sermati.com/
SERMAZ < 50 employees 	Engineering, special machines design, and manufacture of motorised spreaders for aircraft engines	Aussillon (81)	www.sermaz.com
SINCAD < 50 employees 	Design and production of vision machines - Mechanical design of special machines - Finite structural analysis.	Gagnac-sur-Cère (46)	www.sincad.com
SPIE SUD-OUEST < 50 employees 	Company specialised in the design, production, and integration of machines, tools, and assembly lines	Toulouse (31)	https://www.spie.com/en

Machine tools, tools

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SUD PROJET < 50 employees 	Design and production of tools, special machines, and test benches	Labastide-Saint-Pierre (82)	https://www.sudprojet.com/en/
SUD-RECTIF < 50 employees 	Machining, grinding of parts, and tool assembly - Trades: design, turnkey tooling, conventional and digital turning and milling	Lherm (31)	https://www.sudrectifmecanique.fr/
TECHNI PRODUCTION < 50 employees 	Precision mechanics and tooling in Muret - NC machining (milling) of elementary and small-sized structural parts in all hard metals	Muret (31)	-
TOOLLIVE < 50 employees 	Develops and manages a digital platform that connects users, suppliers, and tool owners. The company offers a service (connected objects) applied to aviation production tools to optimise logistics and maintenance.	Toulouse (31)	https://toollive.com
TOPMICRON (GROUPE LAUAK) 50 to 249 employees 	TOPMICRON is specialised in the machining of aluminium and hard metals. Large-size 5-axis machining centre	Villemur-sur-Tarn (31)	https://www.groupe-la-uak.com/en/

COMPANIES

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ADHETEC 50 to 249 employees 	Expertise in adhesive solutions for the aviation industry - Know-how in aircraft customisation (development of patented adhesive films, technical markings, and decoration) for aircraft interiors and exteriors - Surface protection, masking	Colomiers (31)	www.adhetec.com
ADHETEC 50 to 249 employees 	Expertise in adhesive solutions for the aviation industry - Know-how in aircraft customisation (development of patented adhesive films, technical markings, and decoration) for aircraft interiors and exteriors - Surface protection, masking	Tarbes (65)	www.adhetec.com
AERO CABIN SOLUTIONS < 50 employees 	With more than 20 years of expertise in commercial cabin reconfiguration and passenger seat refurbishing and remarketing A dynamic player in the aircraft interior market, for all aircraft types	Mauguio (34)	http://www.aero-cabin.fr
AERO COMPOSITES SERVICES < 50 employees 	Aeronautical plastics: specialising in the fitting, repair and maintenance of technical composite parts for the aeronautical and other industries.	Saint-Gilles (30)	https://www.acsgaron.com/
AEROCOMPETENCE < 50 employees 	Provision of expertise - Service provider to the aviation industry	Le Soler (66)	-

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AEROSMITH 66 < 50 employees 	Specialised in aircraft maintenance and repair - Services include: airworthiness monitoring, all types of repairs, sheet metal works	Perpignan (66)	http://aerosmith66.com
AEROTEC & CONCEPT 50 to 249 employees 	Aviation maintenance company. Specialised in maintaining avionics equipment and instruments (general overhaul and bench testing) and integrating these systems on aircraft and helicopters	Graulhet (81)	http://www.aerotec.fr/
AERTEC GROUPE 50 to 249 employees 	Production and manufacture of textile products for the aviation industry and small cabin equipment - Design office, commercial and quality departments	Toulouse (31)	http://www.groupe-aerotec.com
AGV MÉCATRONIQUE < 50 employees 		Marssac-sur-Tarn (81)	www.agv-mecatronique.com
AIR FRANCE INDUSTRIES < 50 employees 	2nd worldwide supplier of multi-product aircraft maintenance: major maintenance of small carriers in Occitanie	Blagnac (31)	https://www.afiklmem.com/fr
AIR SUPPORT 50 to 249 employees 	Maintenance company (MRO) specialised in the repair and maintenance of on-board aircraft equipment, mainly engine, cabin, and lighting systems	Pujaudran (32)	https://www.airsupport-mro.com/

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AIRPLANE AERO < 50 employees 	Specialised in regional aircraft painting, modular paint booths- All the maintenance work required on aircrafts, ranging from C checks to return to service and including trouble shooting phases and composite repairs	Cugnaux (31)	https://airplane.aero/en/
AKKODIS < 50 employees 	Engineering and technology consulting company - Akka offers architecture, design, integration, validation, and certification testing and justification.	Blagnac (31)	https://www.akkodis.com/
ALPHA RECYCLAGE COMPOSITES < 50 employees 	Recycling of carbon-fibre reinforced composite waste by steam thermolysis technology	Toulouse (31)	https://www.arcomposites.com/
AMELIA SYSTEM < 50 employees 	Repairing and maintaining aircraft and their engines, guaranteeing their performance and safety for commercial and private flights	Salles-la-Source	
ANTAVIA - AMETEK MRO (GROUPE AMETEK) 50 to 249 employees 	Company specialised in the maintenance of aeronautical equipment: expertise in wheels and brakes, cabin equipment, landing gear, lighting systems, electronics, power supply and rewinding, hydraulics	Dieupentale (82)	https://www.ametekmro.com
AQMO - ISSA (INSTRUMENTATION SYSTEMES ANALYSE) < 50 employees 	Temperature maintenance and calibration company	Villeneuve-lès-Bouloc (31)	https://www.aqmo.fr/aqmo-issa.html

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AQMO (AQUITAINE MAITRISE D'OEUVRE) < 50 employees 		Toulouse (31)	www.aqmo.fr
AVANTIS MANUFACTURING (GROUPE FIGEAC AERO) 50 to 249 employees 	Involvement in numerous programmes in the design and development of flight parts - Expertise in aerostructures, engine parts, and systems (hydraulics, fuel systems, etc.).	Saint-Laurent-les-Tours (46)	https://avantis-group.com/en/
AVDEF (AVIATION DÉFENSE SERVICE) < 50 employees 	Training solutions, target towing, maritime and land surveillance, and air transport services	Saint-Gilles (30)	https://www.avdef.fr/
BAYAB INDUSTRIES < 50 employees 	Company specialised in the study, development, manufacture, and marketing of new processes, robots, and equipment related to non-abrasive machining. Expertise: repair machining of composites.	Montrabé (31)	http://www.bayab.fr/en/composite-material-maintenance-2-2/
COLLINS AEROSPACE (ANCIEN GOODRICH AEROSPACE EUROPE) 50 to 249 employees 	Assembler of various sub-assemblies	Toulouse (31)	www.collinsaerospace.com

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
DAHER INDUSTRIAL SERVICES < 50 employees 	Major stakeholder in the aviation industry for production services, assembly of parts and sub-assemblies, industrialisation, production engineering, final assembly line integration, ramp services, quality inspection, and MRO	Colomiers (31)	https://www.daher.com/services-industriels/
DAHER INDUSTRIAL SERVICES < 50 employees 	On-site and on-runway services for the aviation industry: metal and composite airframe fitters, aircraft mechanics, sheet metal workers, and temp services in aeronautics	Pyrène Aéro Pôle , Lanne (65)	https://www.daher.com/services-industriels/
DEDIENNE AEROSPACE 50 to 249 employees 	Company specialised in maintenance tools for commercial and defence markets: aircraft tooling, engine mounts, engine tooling, and ground support equipment	Toulouse (31)	www.dedienne-aero.com/
DEDIENNE AEROSPACE 50 to 249 employees 	Company specialised in maintenance tools for commercial and defence markets: aircraft tooling, engine mounts, engine tooling, and ground support equipment	Saint-Juery	http://www.dedienne-aero.com/
ENDEL (ENGIE) 50 to 249 employees 	Equipment design and construction, overall maintenance, industrial shutdowns, transfers, dismantling	Auvillar (82)	www.endel.fr / https://www.endel-engie.fr/en/

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
EOLE AERO < 50 employees 	<p>EOLE Aero assists its customers with aircraft transaction management, mid-lease evaluation, pre-purchase inspection and aircraft supervision during the construction process and deliveries.</p> <p>On-site or back-office technical assistance.? Customers: aircraft manufacturers, lessors, airlines and engineering companies worldwide.?</p>	Toulouse	https://eole-aero.com/
EXAIL AEROSPACE 50 to 249 employees 	ECA Group designs, manufactures, integrates, and supports innovative and reliable aeronautical solutions from production to operation	Toulouse (31)	https://www.exail.com/
F TECH MEDITERRANEE 50 to 249 employees 	<p>Production site specialising in the manufacture of tubular structures.</p> <p>Aeronautical and space structures, maintenance and fitting</p>	Montpellier (34)	http://www.f-tech.fr?
F TECH PYRENEES 50 to 249 employees 	<p>Production site specialising in the manufacture of tubular structures.</p> <p>Aeronautical and space structures, maintenance and fitting</p>	Lannemezan (65)	
FALGAYRAS SAS 50 to 249 employees 	<p>Manufacture and maintenance of on-board equipment (flight and navigation controls, electronic and engine control equipment, windscreen wiper systems, lighting and wiring solutions, etc.)</p>	Colomiers (31)	www.falgayras.com
FLIGHTWATCHING REVIMA < 50 employees 	<p>Predictive maintenance specialist - Development of innovative solutions to anticipate breakdowns, reduce the number of revisions, and therefore maintenance costs</p>	Toulouse (31)	http://www.revima-group.com

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
GENTILIN (NEXTEAM GROUP) 50 to 249 employees 	Machining of precision mechanical parts - Maintenance of aeronautical equipment - Assembly of assemblies and sub-assemblies	Launaguet (31)	http://www.nexteam-group.com/en/establishments/gentilin/
GROUPE DCM < 50 employees 	Groupe DCM is one of the largest subcontractors of aerostructure parts and subassemblies in Quebec and one of the three largest manufacturers of aircraft maintenance equipment / GSE in the world	Toulouse	https://www.dcm.aero/
HONEYWELL AEROSPACE (GROUPE HONEYWELL) 250 to 499 employees 		Toulouse (31)	www.honeywell.com/
HYDRO SYSTEMS FRANCE (EX SERMI) < 50 employees 	World leader in ground service equipment, as well as in aircraft production and maintenance equipment	Colomiers (31)	https://fcp.hydro.aero/fr/home.html
IBASET INC. < 50 employees 	Software solutions to optimise production, streamline and integrate the manufacturing execution and operations management system, maintenance, repair, and MRO.	Blagnac (31)	https://www.ibaset.com/industries/aerospac-e-defense/
ICARIUS AEROTECHNICS < 50 employees 	European leader in turboprop aircraft maintenance - General and specific maintenance	Montauban (82)	http://www.icarius.fr/maintenance-aeronautique-lg-accueil-en.html

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
IXAIR < 50 employees 	Aircraft and spacecraft repair and maintenance	Auch (32)	http://www.ixair.com/en/home/
LIEBHERR-AEROSPACE & TRANSPORTATION SAS < 50 employees 	One of the leading European manufacturers of air conditioning equipment for the aviation industry (air sampling, cabin pressurisation, air conditioning, anti-icing)	Toulouse (31)	https://www.liebherr.com/en/fra/about-liebherr/liebherr-worldwide/france.html#!/accordion-france=accordion-item-start-toulouse
MAPAERO COATINGS (AKZO NOBEL AEROSPACE) 50 to 249 employees 	Design and manufacture of high-tech paints - Pioneer in water-based paints for the aviation industry	Pamiers (09)	https://www.mapaero.com/fr/
MAZERES AERO EQUIPMENT (MAE) 50 to 249 employees 	Assembly, testing of aeronautical sub-assemblies prior to the FAL - Maintenance of tyres and brakes - Manufacture of equipment, fly-away kits	Colomiers (31)	https://www.mazeresaero.com/en/
MIDI-PYRENEES COMPOSITE (MPC-AERONAUTIQUE) < 50 employees 	Design, manufacture, and production of tools and parts in composite materials - repair and maintenance	Toulouse (31)	-

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
MOOG SARL (MOOG AIRCRAFT GROUP.) < 50 employees 		Toulouse (31)	www.moog-sarl.fr
MPMI (MIDI-PYRENEES MAINTENANCE INDUSTRIES) < 50 employees 		L'Union (31)	www.mpm-industries.fr
NOGARO AVIATION < 50 employees 	Design, creation, and manufacture of prototypes - repair, adjustment, advice, aeronautical components	Nogaro (32)	http://nogaro.aviation.pagesperso-orange.fr
NORDAM < 50 employees 	Nordam specializes in the manufacture and repair of composites parts for aeronautics: interiors and structures, nacelle and thrust reverser systems, repair and transparency.	Blagnac (31)	https://nordam.com
OPT'ALM < 50 employees 	Production of metal parts by additive manufacturing. The company also maintains and repairs existing complex structures (MRO / MCO). Finally, consulting engineers support clients in their transition to DED Additive Manufacturing.	Roquette (31)	http://optalm.fr/english/
RECAERO 250 to 499 employees 	Manufacture of spare parts, sub-assemblies, modification kits, metal parts and composite parts for the aviation industry - 3 establishments in Occitanie - ISO 9100, AEO/AEO certifications - PART 21 G, 21 J	Verniolle (09)	http://www.recaero.fr/

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
REEL 50 to 249 employees 	Major player in the lifting and materials handling sectors as well as in hydraulic and automation expertise - Industrial maintenance and maintenance of industrial tools	Toulouse (31)	https://www.reelinternational.com/en/companies/reel-toulouse-2/
SABENA TECHNICS 250 to 499 employees 	One of France's leading providers of maintenance (MRO) and modification services for civilian and military aviation	Perpignan (66)	https://www.sabenatechnics.com
SABENA TECHNICS 500 to 4499 employees 	One of France's leading providers of maintenance (MRO) and modification services for civilian and military aviation	Saint-Gilles (30)	https://www.sabenatechnics.com
SABENA TECHNICS 250 to 499 employees 	One of France's leading providers of maintenance (MRO) and modification services for civilian and military aviation	Cornebarrieu (31)	https://www.sabenatechnics.com
SOCIETE TECHNIC SERVICES (STS) 50 to 249 employees 	Expertise in three main areas: manufacture of composite parts, painting, and assembly - Comprehensive services from prototype production to maintenance of aircraft parts	Decazeville (12)	https://sts-aveyron.com/?lang=en
SOVAMEP < 50 employees 	Collection, recycling, and recovery of ferrous, precious, rich, and non-ferrous metal waste from the aviation and mechanics industries	Muret (31)	https://sovamep.com/en/

Maintenance, repair, and recycling of aeronautical equipment

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SPHEREA GET ELECTRONIQUE < 50 employees 	Specialised in cloning, repair, sustainability studies, new works, wire bonding, electrical harness testing, and electronic systems design for the aviation, nuclear, rail, and hospital sectors	Bagnols-sur-Cèze (30)	http://www.get-electronique.fr/index.php/en/
TARMAC AEROSAVE < 50 employees 	Europe's leading specialist in aircraft storage, maintenance, and recycling. World leader in environmentally-friendly dismantling of end-of-life aircraft with parts and materials recycling - 2 sites in Occitanie: Toulouse and Tarbes	Cugnaux (31)	www.tarmacaerosave.aero
TARMAC AEROSAVE 50 to 249 employees 	Europe's leading specialist in aircraft storage, maintenance, and recycling. World leader in environmentally-friendly dismantling of end-of-life aircraft with parts and materials recycling - 2 sites in Occitanie: Toulouse and Tarbes	Azereix (65)	www.tarmacaerosave.aero
UUDS AERO < 50 employees 	Maintenance, installation, manufacture, renovation, and maintenance of interior cabin equipment - Bio-decontamination, disinfection, etc. - Wet/dry cleaning for outdoor aircraft	Colomiers	https://www.aero.uuds.com/en/profile
VALLAIR INDUSTRY 50 to 249 employees 	Aircraft maintenance, solutions to extend the life of aircraft or maximise their end-of-life value	Mauguio (34)	http://vallair.aero
VALOER < 50 employees 	Specialising in materials recycling (metals)	LE TRIADOU	

Maintenance, repair, and recycling of aeronautical equipment

THERMI GARONNE < 50 employees 	Precision mechanics - heat treatment workshop - High technology equipment	Roques (31)	https://groupe-thermi-lyon.com/
TISO (TOLERIE INDUSTRIELLE DU SUD-OUEST) < 50 employees 	TISO is involved in the production of metal components in hard (titanium, Inconel, Hastelloy, stainless steel, etc.) and light (aluminium, etc.) alloys and various materials (peek, polyamides, etc.) - Sheet metal work, machining, assembly, design office, control	Colomiers (31)	http://tiso-fr.com/
TOPMICRON (GROUPE LAUAK) 50 to 249 employees 	TOPMICRON is specialised in the machining of aluminium and hard metals. Large-size 5-axis machining centre	Villemur-sur-Tarn (31)	https://www.groupe-la-uak.com/en/
USITECH < 50 employees 	Industrial precision mechanics - Expertise and resources in the manufacture of simple or complex metal parts or accessories for aluminium joinery, the medical sector, and the aviation and food industry	Brens (81)	www.usitech81.fr
VALOER < 50 employees 	Specialising in materials recycling (metals)	LE TRIADOU	
YMCA SERVICES 50 to 249 employees 	Packaging, mechanical assembly, wiring, general mechanics	Colomiers, Beauzelle	https://ymca-colomiers.asso.fr

COMPANIES

Metalworking, metal casting, boilermaking, piping, sheet metal work

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
NEXTEAM TOULOUSE FOUNDRY 50 to 249 employees 	Light alloy aluminium metal casting of small- and medium-size technical parts - Light alloy sand casting and associated machining of very complex parts	Toulouse (31)	https://www.nexteam-group.com/
AEROSMITH 66 < 50 employees 	Specialised in aircraft maintenance and repair - Services include: airworthiness monitoring, all types of repairs, sheet metal works	Perpignan (66)	http://aerosmith66.com
ALUMINIUM SABART SMELTING < 50 employees 	Production, processing and marketing of aluminium alloys, particularly in the form of billets, and all related products, derivatives, by-products and raw materials.	Tarascon-sur-Ariège (09)	https://www.aluminium-sabart.com/
AMI METALS < 50 employees 	Full-service custom metal-cutting centre, supplying aluminium plates, sheets, bars and extruded profiles for the aerospace industry	Varilhes (09)	https://www.amimetal.com/default.aspx
AQUABRASION < 50 employees 	Water jet cutting and stamping company	Graulhet (81)	http://www.aquabrasion.fr/

Metalworking, metal casting, boilermaking, piping, sheet metal work

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AUBERT & DUVAL 500 to 4499 employees 	Aubert & Duval supplies the aerospace market with forged and closed-die forged parts (in titanium, high performance steel and aluminium), metal powder for additive manufacturing, high performance steel parts and bars - Long-standing supplier of landing gear manufacturers, active in many programmes	Pamiers (09)	http://www.aubertduval.com/
BROWN EUROPE 50 to 249 employees 	Cold drawing, production of high quality alloy wires and bars: steel, stainless steel, and superalloys	Laval-de-Cèrre (46)	http://www.brown-europe.com/
CABANNE < 50 employees 	Industrial boilermaking, sheet metal work, metal construction	Ibos (65)	http://www.cabanne-chaudronnerie.fr/
CEGELEC SUD-OUEST 50 to 249 employees 	Industrial maintenance in boilermaking, mechanics, industrial transfers, mechanical and automation studies	Albi (81)	https://www.vinci-energies.com/en/cegelec-en/
CHRONOPLI < 50 employees 	Metal forming - laser cutting, thermo-lacquering (electrostatic spray painting)	Plaisance du Touch (31)	http://www.chronopli.fr/
CIM (CHAUDRONNERIE INDUSTRIELLE DU MIDI) < 50 employees 	Specialist in precision and fine sheet metal work and boilermaking	Cornebarrieu (31)	https://www.lgfgroupe.com/

Metalworking, metal casting, boilermaking, piping, sheet metal work

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
CMA INDUSTRY (GROUPE R-MECA) 50 to 249 employees 	Manufacture of complete metal parts and sub-assemblies - Aeronautical fine sheet metal work, machining, assembly, cabin fitting. Materials: aluminium, steel, titanium, Inconel, nickel alloys, plastics, and composites Upholstery, electronics	Tarascon-sur-Ariège (09)	https://groupe-rmeca.fr/tolerie-chaudronnerie-toulouse/
CONSTRUCTIONS SAINT-ELOI < 50 employees 	Metal constructions, heavy metalwork, and ironwork	Colomiers (31)	http://www.saint-eloi.eu/
DIACE (DISTRIBUTION D'ALUMINIUM COULE ELABORE) 50 to 249 employees 	Expertise in aluminium casting: Design office, gravity casting, die casting, machining, finishing, control, and measurement	Vayrac (46)	http://www.diace.fr/en/
DSI (DISTRIBUTION SERVICES INDUSTRIELS) 250 to 499 employees 	Deburring aircraft parts - Blistering aircraft hardware - Assembly and gluing of small aeronautical structures	Blagnac (31)	http://www.dsi-ap.com
DUTEIL ARNAUNE 50 to 249 employees 	Boilermaking, fine sheet metal work	Bagnères-de-Bigorre (65)	www.duteil-arnaune.fr

Metalworking, metal casting, boilermaking, piping, sheet metal work

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ETABLISSEMENT GOUBIER < 50 employees 	Cutting, precision industrial sheet metal work, boilermaking	Montauban (82)	www.goubier-tolerie.com
ETABLISSEMENTS GREZES < 50 employees 	Stainless steel and aluminium mechanics-welding, laser cutting, laser marking, CNC punching and bending, production of fine sheet metal assemblies	Carmaux (81)	www.tolerie-grezes.fr
GALY < 50 employees 	Precision machining (expertise in machining large low pressure turbine discs for aircraft engines), non-destructive testing - Production of boiler-made assemblies	Pamiers (09)	http://www.galy-freres.fr
GB & METALLERIE < 50 employees 	subcontracting in cutting, design and mechanical welding	Gimont (32)	https://www.ets-arque-gimont.fr
HENSOLDT NEXEYA FRANCE 50 to 249 employees 	Global service integrating the design, manufacture, integration, and maintenance of sub-assemblies and complete or complex assemblies	Cologne (32)	
ISI MIDI PYRENEES < 50 employees 	Design and engineering office in the field of design, calculation, and production of highly technical industrial equipment - Steel and aluminium casting, steel, stainless steel and aluminium mechanical welding, precision machining in 3, 4, and 5 axes, three-dimensional control, etc.	Toulouse (31)	http://www.isi-mp.fr/

Metalworking, metal casting, boilermaking, piping, sheet metal work

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
JVAEROSERVICES (BT2I) 250 to 499 employees 	Design and production of cabin and composite parts - Fine sheet metal work & boilermaking, machining - VIP aircraft interior fittings	Bressols (82)	https://www.bt2igroup.com/
LAVAYSSIERE S.A < 50 employees 	Specialist in fairings and protections for production units	Capdenac (12)	www.lavayssierecarenage.fr/
MAPAL FRANCE < 50 employees 	Distribution of cutting tools for the mounting and assembly of aerostructures	Toulouse (31)	https://mapal.com/en-int/products-and-solutions
MECACHROME MAZERES 50 to 249 employees 	Lost wax casting, melting of high melting point metals including titanium	Mazères (09)	https://www.mecachrome.com/site/mazeres/
MECACHROME TOULOUSE - MECAHERS 250 to 499 employees 	One of the world leaders in high precision mechanics. A key player in the design, engineering, machining, and assembly of high precision parts and assemblies	Launaguet (31)	http://www.mecahers.fr/5-36802-Home.php
MECAFORM < 50 employees 	Company providing sheet metal work, industrial iron work, metal work. Iron work, boilermaking, tool frames. Major player in sheet metal work, mainly for single parts and medium production batches.	Graulhet (81)	http://www.mecaform.com/

Metalworking, metal casting, boilermaking, piping, sheet metal work

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
METALFORMAGE < 50 employees 	Sheet metal work, boilermaking, wiring, supply of electro-mechanical and electrical components	Puy-l'Évêque (46)	www.metalformage.fr/
MILHORAT ET CIE < 50 employees 	Company specialised in boilermaking, piping, water jet cutting, metalwork	Pamiers (09)	www.milhorat.com/
MPMI (MIDI-PYRENEES MAINTENANCE INDUSTRIES) < 50 employees 		L'Union (31)	www.mpm-industries.fr
NOUVELLE FONDERIE GILLET INDUSTRIES < 50 employees 	Casting of special parts in non-ferrous alloys, small and medium production batches in aluminium and copper alloys	Albi (81)	https://www.sn-gillet.fr/?lang=en
OXYMECA PYRENEES < 50 employees 	Sheet metal work, mechanics, bending, welding, sandblasting, painting, assembly	Orleix (65)	www.oxymeca.fr/
PEYRE < 50 employees 	Manufacture of ventilation ducts (rectangular and round) - Industrial sheet metal work (laser cutting, mechanically welded frames, thermo-lacquering)	Toulouse (31)	http://peyre-sa.fr

Metalworking, metal casting, boilermaking, piping, sheet metal work

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
R.D.M. (REPOUSSAGE DÉCOUPAGE MONTAGE) < 50 employees 		Launaguet (31)	https://www.rdm-repoissage-decoupe-toulouse.fr
RETIS SOLUTIONS / AFELEC 50 to 249 employees 	Design and manufacture of metal structures for airlines	Saint-Sulpice (81)	http://www.retis-solutions.com/en/
ROSSI AERO MURET (GROUPE MECACHROME) 50 to 249 employees 	Manufacture and assembly of sheet metal parts, mechanical parts, as well as 3D control and supply chain management for the aviation industry	Muret (31)	http://www.espace-sa.fr/en/index.php
SARL MATHIEU < 50 employees 	Fine sheet metal and boilermaking workshop, machine-welded assemblies - prototypes, small production batches - Specialised in the transformation of sheet metal	Bouloc (31)	http://www.sarlmathieu.eu
SATI 50 to 249 employees 	Industrial metalwork specialised in steel, stainless steel, and aluminium work	Tournefeuille (31)	http://sati.fr

Metalworking, metal casting, boilermaking, piping, sheet metal work

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE

COMPANIES

Original Equipment Manufacturer (OEM)

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AIRBUS ATLANTIC 250 to 499 employees 	Airbus Atlantic Headquarters - #2 world leader in aerostructures (the engineering, production and integration expert) - pilot seats, as well as first and business class cabin seats - pipes and ducts	Colomiers (31)	https://www.airbus.com/fr/airbus-atlantic/aerostructures
COLLINS AEROSPACE (ANCIEN GOODRICH AEROSPACE EUROPE) 50 to 249 employees 	Assembler of various sub-assemblies	Toulouse (31)	www.collinsaerospace.com
COLLINS AEROSPACE (EX GOODRICH AEROSPACE) 250 to 499 employees 	Engine nacelle package assembler for Airbus	Colomiers (31)	http://www.collinsaerospace.com
COLLINS AEROSPACE PROPELLERS SYSTEMS (EX RATIER-FIGEAC) < 50 employees 	Design and manufacture of propellers, cockpit and cabin equipment, and THSA - Repair and maintenance of its equipment - High level of expertise in machining vital helicopter parts - Centre of Excellence for all UTC Aerospace Systems propellers	Figeac (46)	https://ratier-figeac.fr/
H3 DYNAMICS < 50 employees 	Develops hydrogen solutions for aircraft and airports: fuel cells, GPUs and production systems	Toulouse (31)	https://www.h3dynamics.com/

Original Equipment Manufacturer (OEM)

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
HYDRO SYSTEMS FRANCE (EX SERMI) < 50 employees 	World leader in ground service equipment, as well as in aircraft production and maintenance equipment	Colomiers (31)	https://fcp.hydro.aero/fr/home.html
LATÉCOÈRE < 50 employees 	Design, development, and production of aeronautical assemblies (aerostructures) for aircraft, helicopters, spacecraft, nacelles - Mechanics, electrical sheet metal work, and boilermaking	Toulouse (31), Blagnac (31)	https://www.latecoere.aero
LATÉCOÈRE 50 to 249 employees 	Design, development, and production of aeronautical assemblies (aerostructures, doors, business aviation, video camera systems) for aircraft, helicopters, spacecraft, nacelles - Mechanical, electrical, and electronic construction - Mechanics, electrical sheet metal work, and boilermaking	Gimont (32)	https://www.latecoere.aero
LATÉCOÈRE < 50 employees 	Group headquarters - Design, development, and production of aeronautical assemblies (aerostructures, doors, business aviation, video camera systems) for aircraft, helicopters, spacecraft, nacelles - Mechanical, electrical, and electronic construction - Mechanics, electrical sheet metal work, and boilermaking.	Toulouse (31)	https://www.latecoere.aero
LATÉCOÈRE INTERCONNECTION SYSTEMS < 50 employees 		Labège, Colomiers (31)	http://www.latecoere.fr

Original Equipment Manufacturer (OEM)

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
LIEBHERR AEROSPACE - CAMPSAS 50 to 249 employees 	One of the leading European manufacturers of air conditioning equipment for the aviation industry (air sampling, cabin pressurisation, air conditioning, anti-icing)	Campsas (82)	https://www.liebherr.com/en/fra/about-liebherr/liebherr-worldwide/france/liebherr-in-france.html#!/accordion-france=accordion-item-start-toulouse
LIEBHERR-AEROSPACE & TRANSPORTATION SAS < 50 employees 	One of the leading European manufacturers of air conditioning equipment for the aviation industry (air sampling, cabin pressurisation, air conditioning, anti-icing)	Toulouse (31)	https://www.liebherr.com/en/fra/about-liebherr/liebherr-worldwide/france/liebherr-in-france.html#!/accordion-france=accordion-item-start-toulouse
SAFRAN POWER UNITS < 50 employees 	Safran Power Units specialises in the design and production of auxiliary power units and start-up systems for civilian and military aviation, as well as turbojet engines for missiles and target drones. The company is a global leader in its field with over 22,000 systems delivered worldwide since its inception in 1961. Safran Power Units is also Safran's centre of excellence for fuel cells	Toulouse (31)	www.safran-power-units.com
TRIUMPH GROUP < 50 employees 	Warehousing and manufacturing, on-site assembly of thermal-acoustic insulation products, on-site technical support, integration services, warehousing	Colomiers (31)	https://www.triumphgroup.com/locations/triumph-interiors-toulouse-france
WOODWARD < 50 employees 	Representative office, repair centre for electromagnetic equipment and electrical accessories	Blagnac (31)	https://www.awf-france.com/fr/turbine-moteur/?gclid=EAlaIQobChMI4LPRtvaH7wIVk53VCh2jRQxFEAAYASAAEgK8NPD_BwE

<p>ROLLS ROYCE TECHNICAL SUPPORT (ROLLS-ROYCE GROUP PLC) (MEMBRE D'ADS TOULOUSE)</p> <p>< 50 employees</p> 		Colomiers (31), Blagnac (31)	www.rolls-royce.com/
<p>TAI FRANCE (TURKISH AEROSPACE INDUSTRY)</p> <p>< 50 employees</p> 	Representing Turkish Aerospace Industries, a world-class aviation firm in aircraft manufacturing and assembly	Blagnac (31)	www.tai-France.com
<p>TECH MAHINDRA</p> <p>50 to 249 employees</p> 	Engineering and computer consultancy and services	Colomiers (31)	https://www.techmahindra.com/en-in/
<p>TYCO ELECTRONICS FRANCE</p> <p>< 50 employees</p> 	Distribution of electronic products for the aviation and military sectors, sale of polymer sheaths for connectors	Toulouse (31)	www.tycoelectronics.com/
<p>ULTRA ELECTRONICS (GROUPE ULTRA ELECTRONICS LTD)</p> <p>< 50 employees</p> 		Blagnac (31)	http://www.ultra-electronics.com/

Sales and technical support offices

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
WOODWARD < 50 employees 	Representative office, repair centre for electromagnetic equipment and electrical accessories	Blagnac (31)	https://www.awf-france.com/fr/turbine-moteur/?gclid=EAlaIQobChMI4LPRtvaH7wIVk53VCh2jRQxFEAAYASAAEgK8NPD_BwE

COMPANIES

Testing, inspection, certification

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ABC PROTOTYPE < 50 employees 	Electronic board, test equipment, and special machine prototypes	Colomiers (31)	http://www.abc-prototype.com/
ABSTRAO < 50 employees 	Company specialised in digital mechanics and the simulation of multi-physical phenomena	Plaisance-du-Touch (31)	http://www.impetus-afea.com
AIR SYSTEMS < 50 employees 	Electronic equipment design, test equipment design - Prototype production unit, small and medium production batches	Grenade (31)	http://www.air-systems.fr/
ALTER TECHNOLOGY TUV < 50 employees 	Testing of and expertise in electronic devices, modules, and equipment for harsh environment markets	Ramonville-Sainte-Agne (31)	https://www.altertechnology-group.com/en/company/alter-technology-france/
ALTITUDE AEROSPACE FRANCE < 50 employees 	Engineering and design firm specialised in design, structural analysis, and change certifications	Toulouse (31)	https://www.altitudeaero.com/
ASI INNOVATION < 50 employees 	Design, manufacture, and certification of mission systems, cabin fittings, and avionics installations	Cugnaux (31)	https://asi-group.fr/en/

Testing, inspection, certification

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AUTOMATIQUE ET INDUSTRIE < 50 employees 	Company specialised in computer engineering design for industry: automation, industrial computing, supervision, test benches, measurement benches, etc.	Labège (31)	http://altitem.fr
BETA TECH (B TECH) GROUPE AXSEAM < 50 employees 	Design office specialising in the development of secure real-time computing and office automation - Test systems, on-board computers for Flight Tests	Saint-Orens-de-Gameville (31)	http://www.betatech.fr
BUREAU VERITAS < 50 employees 	Risk prevention, safety, security, and quality	Toulouse (31)	www.bureauveritas.com
CORONA TECHNIQUE MESURE < 50 employees 	3D laser measurements, calibration settings, studies, and engineering for the manufacture, repair, and maintenance of products, machines, and equipment	Toulouse (31)	-
DELTY < 50 employees 	Supplier of specific test benches, electrical power converters, synchronous compensators, static or dynamic electrical filters	Toulouse (31)	https://delty.fr/
ECLIPSE TECHNICS (GROUPE ECLIPSE) (EX EAD AEROSPACE AIRWORTHINESS) < 50 employees 	Expert in airborne systems modernisation, installation and certification of aircraft avionics and connectivity systems. Expertise: avionics, structures, and interiors, commercial and business aircraft upgrades including VVIPs and VIPs, military aircraft and helicopters for cabin and cockpit avionics, satellite communication systems, and connectivity system modifications	Saint-Lys (31)	https://www.eclipseglobalconnectivity.com/eclipse-technics/

Testing, inspection, certification

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
ECM (ENGINEERING CONCEPTION MAINTENANCE) 50 to 249 employees 	Expertise in the mechanical trades and in the use and dissemination of innovative technologies - Trades: Research and technology, Product/process development engineering (development of structures, models, equipment, design/analysis/testing, etc.), Consulting and support for organisations	Blagnac (31)	http://www.ecm-be.com
EQUIP'AERO INDUSTRIE < 50 employees 	Two principal units of activity: EQUIP'AERO SERVICES, European leader in Maintenance Repair Overhaul, modification for more than 1500 part numbers EQUIP'AERO TECHNIQUE, Original Equipment Manufacturer, specializing on the research, development, industrialization and production of embedded equipment.	L'Isle-Jourdain (32)	https://www.equipaero.com/en
EREMS 50 to 249 employees 	Design and manufacture of on-board electronic equipment, such as energy converters, power supplies, energy distribution, data acquisition and management equipment, computers - Studies and tests	Flourens (31)	http://www.erems.fr/en/
EVANS ANALYTICAL GROUP LABORATORIES < 50 employees 	Analysis, testing, and technical inspection of materials	Toulouse (31)	https://www.eag.com
EXAIL AEROSPACE 50 to 249 employees 	ECA Group designs, manufactures, integrates, and supports innovative and reliable aeronautical solutions from production to operation	Toulouse (31)	https://www.exail.com/

Testing, inspection, certification

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
FOGALE NANOTECH < 50 employees 	Design and manufacture of fast and accurate non-contact dimensional measurement instrumentation	Nîmes (30)	https://www.fogale.fr/urbomachinery/
GAMBA ACOUSTIQUE < 50 employees 	Acoustic engineering, acoustic R&D, material behaviour, noise effects, calculation processing software	Labège (31)	https://gamba.fr/en/
I.S.I.T. (INGÉNIERIE ET SOLUTIONS EN INSTRUMENTATION ET TEST) < 50 employees 		Plaisance-du-Touch (31)	www.isit.fr
INGESPACE SARL (GROUPE ASTRIMUM) < 50 employees 	Expertise, design and production of communicating solutions based on micro-controllers or FPGAs	Castelnau-d'Estrétefonds (31)	www.ingespace.com
INTESPACE 50 to 249 employees 	A services and engineering firm providing a complete set of environmental simulation test facilities - mechanical, thermal, climatic, electrical, and high frequency - supported by maintenance, design, training, and metrology services	Toulouse (31)	http://intespace.net
INTRASPEC TECHNOLOGIES < 50 employees 	Customised solutions in reliability and failure analyses for electronics technologies (from semiconductors to systems)	Toulouse (31)	http://intactile.com/en

Testing, inspection, certification

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
MATERIAU INGENIERIE < 50 employees 	Design and manufacture of measuring instruments	Saint-Martin-de-Valgalgues (30)	https://www.mat-ing.com/en/
METROMECHANICA SARL < 50 employees 	Expert in aeronautical metrology	Plaisance-Du-Touch (31)	https://www.metromecanica.com/en/
MICROTEC (GROUPE AFJ) 50 to 249 employees 	Design, industrialisation, and manufacture of high reliability electronic & mechatronic boards and equipment - Test engineering, prototyping, industrial unit wiring	Ramonville-Saint-Agne (31)	https://www.microtec-electronics.fr/en/
MPQ ELECTRONIQUE (GROUPE BEA MÉTROLOGIE) < 50 employees 		Mazères (09)	http://www.mpq-electronique.fr/
NEXEYA 50 to 249 employees 	Design, development, and validation of products for testing aircraft avionics and electrical networks - Specific tooling for assembly lines - Production of on-board power conversion components	Toulouse (31)	http://www.nexeya.fr
NEXEYA SERVICES < 50 employees 	Design and manufacture of aircraft avionics and electrical network test solutions and assembly line tooling Production of on-board power conversion components	Labège (31)	http://www.nexeya.fr

Testing, inspection, certification

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
NEXIO 50 to 249 employees 	A major player in testing, design, and simulation in the field of electromagnetism	Toulouse (31)	https://nexiogroup.com/contact-us/?lang=en
OKTAL SYNTHETIC ENVIRONMENT (GROUPE SOGECLAIR) < 50 employees 	Multi-sensor simulation software and services - Modelling of synthetic environments. Simulation software to design, develop, and qualify any embedded sensor system	Vigoulet-Auzil (31)	www.oktal-se.fr
PRINTSKY (GROUPE SOGECLAIR) < 50 employees 	Industrial production projects in the field of Additive Manufacturing (powder bed and electron beam) for the aerospace industry. The PrintSky platform offers a modular solution that provides access to design, certification, and prototyping services	Toulouse (31)	https://sogeclair.com/en/equipment/innovative-materials
PRODERA < 50 employees 	Leading supplier of modal analysis equipment for ground vibration testing (GVT) and flight test systems	Villariès (31)	www.prodera.com
PROVER TECHNOLOGY < 50 employees 	Development of verification and proof-making tools and solutions for critical embedded systems.	Toulouse (31)	https://www.prover.com
R&R CONSULTING AERO < 50 employees 	Consulting firm, certification expert, DOA	Vieille-Toulouse (31)	http://www.rr-consulting.aero/

Testing, inspection, certification

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SATYS SURFACE TREATMENT TOULOUSE (EX PRODEM) 50 to 249 employees 	Company specialised in surface treatments, aircraft painting - Non-destructive testing of metal and composite parts for the aviation industry	Cornebarrieu (31)	https://www.satys.com/index.php?option=com_sppagebuilder&view=page&id=157&Itemid=203&lang=en
SERMATI 50 to 249 employees 	Double expertise in engineering and manufacturing - Sermati designs, integrates, and controls: assembly and control lines, complex mechanical parts and sub-assemblies, special machines and test benches	Blagnac (31)	https://www.sermati.com/
SOBEN S.A.S < 50 employees 	Expert in hydraulic shock absorber and landing gear design	FONTANES (46)	http://www.soben.fr
SPHEREA 50 to 249 employees 	Among the leaders in the design and implementation of modular test solutions for the entire lifecycle of complex and critical electronic, microwave, optronic, and mechatronic systems	Toulouse (31)	www.spharea.com/en
SPHEREA GET ELECTRONIQUE 50 to 249 employees 	Specialised in cloning, repair, sustainability studies, new works, wire bonding, electrical harness testing, and electronic systems design for the aviation, nuclear, rail, and hospital sectors	Castres (81)	http://www.get-electronique.fr/index.php/en/
SYMETRIE < 50 employees 	Design and production of hexapods, precision positioning and motion systems	BOUILLARGUES	https://symetrie.fr/

Testing, inspection, certification

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
TERAKALIS (EX T-WAVES TECHNOLOGIES) < 50 employees 	Design and development of components, especially sensors and sources, and measurement and imaging systems in the terahertz range	Montpellier (34)	https://www.terakalis.com/en/
TESTIA FRANCE 50 to 249 employees 	Non-destructive testing - Global solution in aviation and aerospace testing	Toulouse (31)	https://www.testia.com/about-us/
THIOT INGENIERIE < 50 employees 	Services in dynamic material characterisation and impact and shock testing for the aviation industry	Puybrun (46)	https://www.thiot-ingenierie.com/en/
TRAD TESTS & RADIATIONS < 50 employees 	Radiation expertise - Analysis of the impact of atmospheric neutrons and alpha particles on electronic components, avionics, and all electronic equipment and systems	Labège (31)	https://www.trad.fr/en/

COMPANIES

Thermoplastics, composites, materials, textiles

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
COBRATEX SAS < 50 employees 	Industrial manufacturing company that produces and markets Bamboo reinforcements for composite materials	Carbonne (31)	www.cobratex.com
CONSEIL & TECHNIQUE < 50 employees 	Firm specialised in engineering, engineering studies, and innovation, especially in composites	Lauzerville (31)	http://conseil-et-technique.com/en2/
CORIMA TECHNOLOGIES SAS - PCM ENGINEERING < 50 employees 	Manufacture of drape forming in nickel, composite, and silicone	Toulouse (31)	http://www.corima-technologies.com/en/index.php
CT INGENIERIE 50 to 249 employees 	Design office: aerostructures (design, calculation, and simulation); design, product, & manufacturing engineering, design to cost, project management - Expertise: structure design and calculation, manufacturing processes, metallic, composite, and ceramic, all manufacturing processes	Colomiers (31)	http://www.ctingenierie.com/index.php/home/?idioma_id=4
FYM EQUIPEMENT / TOULOUSE BACHES < 50 employees 	Manufacture of textile tarpaulins and protections for the transport of parts - Technical materials for canvas (PVC, Silicone, Nomex, Fibreglass) and foams (Plastazote, EPDM, etc.)	Saint-Alban (31)	http://toulousebaches.e-monsite.com/pages/page-1.html

Thermoplastics, composites, materials, textiles

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
GACHES CHIMIE 50 to 249 employees 	Chemical products and solutions supplier (aeronautical paints, resins, structural adhesives, etc.)	Escalquens (31)	https://www.gaches.com/en/
GILBERT POLYTECH SA < 50 employees 	Manufacture of moulds and tools, plastic injection, precision mechanics, metrology	Reynies (82)	https://gilbert-polytech-sas.fr/
HEXCEL COMPOSITES < 50 employees 	Representing Hexcel Composites, a world-class player in the field of carbon fibre and composite materials	Blagnac (31)	www.hexcel.com
MARION TECHNOLOGIES < 50 employees 	Company specialised in the characterisation, custom development, and production of ceramic powders and nanostructured materials for industrial use	Verniolle (09)	http://www.mariontechnologies.com/en/home/
MATERIAU INGENIERIE < 50 employees 	Design and manufacture of measuring instruments	Saint-Martin-de-Valgalgues (30)	https://www.mat-ing.com/en/
MECANO ID 50 to 249 employees 	Mechanical and thermal engineering firm - Manufacture of composite material components and production of mainly mechanical assemblies	Toulouse (31)	http://www.mecano-id.fr/en

Thermoplastics, composites, materials, textiles

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
MERSEN BOOSTEC 50 to 249 employees 	Supplier of complex technical components capable of withstanding extreme environments and meeting the most demanding industrial safety standards	Bazet (65)	https://www.mersen.com/markets/transportation-ev/aeronautics
MIDI-PYRENEES COMPOSITE (MPC-AERONAUTIQUE) < 50 employees 	Design, manufacture, and production of tools and parts in composite materials - repair and maintenance	Toulouse (31)	-
MPM (MOULAGES PLASTIQUES DU MIDI) (ETIENNE LACROIX GROUP) 50 to 249 employees 	Company specialised in the manufacture of plastic-based technical parts	Muret (31)	http://www.mpm.fr/index.php
NORDAM < 50 employees 	Nordam specializes in the manufacture and repair of composites parts for aeronautics: interiors and structures, nacelle and thrust reverser systems, repair and transparency.	Blagnac (31)	https://nordam.com
OCCITANIE PLASTIQUES < 50 employees 	Manufacture of plastic parts	Escalquens (31)	http://www.occitanie-plastiques.com/en/
PALLADIAM < 50 employees 	Consulting in and supply of advanced materials and technologies (especially titanium).	Colomiers (31)	www.palladium.fr

Thermoplastics, composites, materials, textiles

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
POLYFORM < 50 employees 	Manufacture and marketing of prototypes, models, mock-ups, and plastic parts	Colomiers (31)	http://www.polyform-31.com
POTEZ COMPOSITES 50 to 249 employees 	Aircraft assembly, production and repair of composites - Manufacture of elementary parts and sub-assemblies in thermoset composites - Definition of manufacturing processes and tools - Assembly, painting, integration	Cambes (46)	http://www.aerofonctions.fr/
SARL GRIMAL < 50 employees 	Precision mechanics, mould making, interior fitting	La Loubière (12)	http://sarl-grimal.fr
SCT (SOCIETE DES CERAMIQUES TECHNIQUES) 50 to 249 employees 	World leader in ceramic-metal and sapphire-metal assembly production - Design, development, and manufacture of ceramic components and ceramic-metal assemblies	Bazet (65)	https://www.sct-ceramics.com/en/
SDTECH MICRO < 50 employees 	Specialised in the production of fine powders and nanopowders - Characterisation and processing on a toll basis	Alès (30)	https://www.sd-tech.com/en/
SIMECA (SOCIETE DES INDUSTRIES MECANIKES ET DU CAOUTCHOUC) < 50 employees 	Manufacture of rubber and elastomer products	Vayrac (46)	http://www.simeca.eu/

Thermoplastics, composites, materials, textiles

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
SOPLAMI (SOCIETE DES PLASTIQUES DU MIDI) (GROUPE DEVISU) 50 to 249 employees 	Thermoformed interior fittings: cockpit, cabin, and seat covers, door linings, cable and electrical panel covers, ventilation, cover glass for lights	Muret (31), Seysses (31)	https://soplami.fr/en/home/
SPECIFIC POLYMERS < 50 employees 	Company providing R&D services and large-scale production in the field of high specificity functional monomers and polymers	Castries (34)	http://www.specificpolymers.fr
ST COMPOSITES (ST GROUPE) < 50 employees 	Production of high performance composite parts and sub-assemblies - Structural parts as well as cockpit and cabin fittings	Labège (31)	www.stgroup.aero
TECHNI MOULES < 50 employees 	Design and production of high precision moulds for injected plastic parts - Design and development, mould making, production of plastic parts, repair, renovation	Merville (31)	http://www.technimooules.com/
TEXTILES TECHNIQUES DU MIDI < 50 employees 	Expert in technical fabrics meeting specific demands for the most demanding industries, concerning protections / covers for aeronautical and aerospace equipment in individual units and small production batches	Toulouse (31)	http://www.ttm31.fr/en/
VESO CONCEPT < 50 employees 	Engineering firm that develops bio-based composites	Caupenne-D'Armagnac (32)	www.veso-concept.com

COMPANIES

Thermoplastiques, composites, matériaux

COMPANY	BUSINESS ACTIVITY	TOWN	WEBSITE
AERO COMPOSITES SERVICES < 50 employees 	Aeronautical plastics: specialising in the fitting, repair and maintenance of technical composite parts for the aeronautical and other industries.	Saint-Gilles (30)	https://www.acsgarons.com/
NORIMAT < 50 employees 	High performance materials manufacturing - Unique flash sintering technology to manufacture complex custom parts for advanced industries	Toulouse (31)	http://www.norimat.com/en/
PROTOPLANE < 50 employees 	'ULM design Aircraft modification and business aircraft furniture'.	Bagnères-de-Bigorre (65)	http://protoplane.net/
SEG DIELECTRIQUE < 50 employees 	design and manufacture of a complete range of electrical insulators for motor manufacturers and transformer manufacturers,	POUSSAN	https://www.segdielectriques.com/
